§ 228.17 Adjustments to the widow(er)'s, disabled widow(er)'s, surviving divorced spouse's, and remarried widow(er)'s tier I annuity amount.

(a) If the employee died before attaining age 62 and after 1978 and the widow(er), disabled widow(er), remarried widow(er), or surviving divorced spouse is first eligible after 1984, the Board will compute the tier I annuity amount as if the employee had not died but had reached age 62 in the 18/40 of 1 percent multiplied by the number of months before the annuitant attains full retirement age (presently age 65) effective with the annuity beginning date for widow(ers) born before 1/2/40. (For widow(ers) born after 1/1/40, see section 216(l) of the Social Security Act.)

§ 228.16 Adjustments in the age reduction factor (ARF).

Upon the attainment of retirement age, the previously-computed age reduction factor is adjusted to remove those months for which a full annuity was not paid even though the individual was entitled.

§ 228.15 Reduction for age.

(a) Widow(er), surviving divorced spouse, or remarried widow(er). The tier I annuity component is reduced 19/40 of 1 percent multiplied by the number of months before the annuitant attains full retirement age (presently age 65) effective with the annuity beginning date for widow(ers) born before 1/2/40. (For widow(ers) born after 1/1/40, see section 216(l) of the Social Security Act.)

(b) Disabled widow(er), disabled surviving divorced spouse, or disabled remarried widow(er). The tier I annuity component is reduced for a maximum of 60 months even though the annuity may begin at age 50.

§ 228.17 Adjustments to the widow(er)'s, disabled widow(er)'s, surviving divorced spouse's, and remarried widow(er)'s tier I annuity amount.

(a) If the employee died before attaining age 62 and after 1978 and the widow(er), disabled widow(er), remarried widow(er), or surviving divorced spouse is first eligible after 1984, the Board will compute the tier I annuity amount as if the employee had not died but had reached age 62 in the 18/40 of 1 percent multiplied by the number of months before the annuitant attains full retirement age (presently age 65) effective with the annuity beginning date for widow(ers) born before 1/2/40. (For widow(ers) born after 1/1/40, see section 216(l) of the Social Security Act.)
