§ 411.171 When does the period of using a ticket end?

The period of using a ticket ends with the earliest of the following—

(a) The last day of the month before the month in which the ticket terminates as a result of one of the events listed in §411.155 (see §411.155(a)(4) and (c)(8) for when your ticket terminates if your outcome payment period ends);

(b) The day before the effective date of a decision under §411.200 or §411.205 that you are no longer making timely progress toward self-supporting employment;

(c) The last day of the 90-day extension period which begins with the first day of the first month in which your ticket is no longer assigned to an EN or State VR agency acting as an EN (see §411.145), unless you reassign your ticket within the 90-day extension period (see §411.220 for an explanation of the 90-day extension period); or

(d) If your ticket was in VR cost reimbursement status as described in §411.166(j), the 90th day following the date the State VR agency closes your case, unless you assign your ticket during this 90-day period.

§ 411.175 What if a continuing disability review is begun before my ticket is in use?

(a) If we begin a continuing disability review before the date on which your ticket is in use, you may still assign the ticket and receive services from an EN or State VR agency acting as an EN under the Ticket to Work program, or you may still receive services from a State VR agency that elects the VR cost reimbursement option. However, we will complete the continuing disability review. If in this review we determine that you are no longer disabled, in most cases you will no longer be eligible to receive benefit payments. However, if your ticket was in use before we determined that you are no longer disabled, in certain circumstances you may continue to receive benefit payments (see §§404.316(c), 404.337(c), 404.352(d), and 416.1338 of this chapter). If you appeal the decision that you are no longer disabled, you may also choose to continue pending reconsideration and/or a hearing before an administrative law judge on the cessation determination (see §§404.1597a and 416.996 of this chapter).

(b) The date on which we begin the continuing disability review is the date on the notice we send you that tells you that we are beginning to review your disability case.

§ 411.180 What is timely progress toward self-supporting employment?

(a) General. We consider you to be making timely progress toward self-supporting employment when you show progress as described below toward the ability to work at levels which will reduce your dependence on Social Security disability benefits or SSI benefits. We will also consider you to be making timely progress when you obtain a high school diploma or GED certificate in the first 12-month progress certification period, or if you show progress as described below toward obtaining an educational degree or certificate or vocational or technical training that will enhance your ability to return to work. In addition, if you complete a certain percentage of the work requirement and a certain percentage of the post-secondary education requirement or vocational or technical training requirement in the applicable progress certification period under the guidelines below, and the sum of the two percentages equals 100 or more, we will consider you to have met the timely progress requirements for purposes of the progress review conducted at the end of the 12-month progress certification period. For example, if you complete 33.3 percent of the work requirement during the first 12-month progress certification period as described in paragraph (c)(1)(i) of this section (i.e., one month of work with earnings equal to or greater than the amount representing a trial work service month), and complete 66.7 percent of the requisite credit hours in an educational program during this period as described in paragraph (c)(1)(iii) of this section (i.e., 40 percent of the post-secondary credit hours that are considered to represent an academic year of full-time study), we will consider you to...
have met the timely progress requirements for purposes of the progress review conducted at the end of the first 12-month progress certification period. In addition, we will apply the variance tolerance described in §411.166(h) in determining whether you have met the requirements in paragraph (c)(1)(iii), (iv) or (v), paragraph (c)(2)(ii), (iii) or (iv), paragraph (c)(3)(iii) or (v), paragraph (c)(4)(ii) or (iii), or paragraph (c)(5)(ii) or (iii) of this section.

(b) 12-month progress certification periods. The first 12-month progress certification period begins with the month following the month in which you first assigned your ticket, or with the month beginning after the date described in §411.170(b) if you have a ticket that would otherwise be available for assignment and are receiving VR services under an IPE from a State VR agency which has chosen the VR cost reimbursement option. Any subsequent 12-month progress certification period will begin with the month following the end of the previous 12-month progress certification period. In computing any 12-month progress certification period, we do not count any month during which—

1. Your ticket is not assigned to an EN or State VR agency acting as an EN and is not in VR cost reimbursement status (as described in §411.166(j)); or
2. Your ticket is in inactive status (see §411.182).

(c) Guidelines. We will determine if you are making timely progress toward self-supporting employment by using the following guidelines:

1. During the first 12-month progress certification period, you must be making timely progress as follows:
   (i) You must have worked in at least three months within this 12-month period and have earnings in each of those three months that are equal to or greater than the amount representing a trial work service month (see §404.1592(b) of this chapter); or
   (ii) You must have obtained a high school diploma or GED certificate within this 12-month period; or
   (iii) You must have been enrolled in a two- or four-year degree or certification program at an educational institution and have completed 60 percent of the post-secondary credit hours that are considered to represent an academic year of full-time study in the program by the end of this 12-month period; or
   (iv) You must have completed a percentage of the required number of months of work and earnings described in paragraph (c)(1)(i) of this section and a percentage of the specified amount of post-secondary credit hours or course requirements required under paragraph (c)(1)(iii) or (iv) of this section within this 12-month period so that the sum of the two percentages equals 100 or more.
2. During the second 12-month progress certification period, at the conclusion of 24 months of ticket use, you must be making timely progress as follows:
   (i) You must have worked in at least six months within this 12-month period and have earnings in each of those six months that are equal to or greater than the amount representing a trial work service month (see §404.1592(b) of this chapter); or
   (ii) You must have been enrolled in a two- or four-year degree or certification program at an educational institution and have completed an additional 75 percent of the post-secondary credit hours that are considered to represent an academic year of full-time study in the program by the end of this 12-month period; or
   (iii) You must have been enrolled in a vocational or technical training program at an educational institution consisting of a technical, trade or vocational school and have completed an additional 75 percent of the course requirements that are considered to represent a year of full-time study in the program by the end of this 12-month period; or
   (iv) You must have completed a percentage of the required number of months of work and earnings described in paragraph (c)(2)(i) of this section...
and a percentage of the specified amount of post-secondary credit hours or course requirements required under paragraph (c)(2)(ii) or (iii) of this section within this 12-month period so that the sum of the two percentages equals 100 or more.

(3) During the third 12-month progress certification period, at the conclusion of 36 months of ticket use, you must be making timely progress as follows:
   (i) You must have worked in at least nine months within this 12-month period and have gross earnings from employment (or net earnings from self-employment as defined in §404.1080 of this chapter) in each of those nine months that are more than the SGA threshold amount specified in §404.1574(b)(2) of this chapter; or
   (ii) You must have completed the course work and earned a degree or certificate from a two-year degree or certification program at an educational institution by the end of this 12-month period; or
   (iii) You must have been enrolled in a four-year degree or certification program at an educational institution and completed additional post-secondary credit hours that are considered to represent an academic year of full-time study in the program by the end of this 12-month period; or
   (iv) You must have been enrolled in a vocational or technical training program at an educational institution consisting of a technical, trade or vocational school and have completed the course requirements of the program by the end of this 12-month period; or
   (v) You must have completed a percentage of the required number of months of work and earnings described in paragraph (c)(3)(i) of this section and a percentage of the specified amount of post-secondary credit hours required under paragraph (c)(3)(ii) of this section within this 12-month period so that the sum of the two percentages equals 100 or more.

(4) During the fourth 12-month progress certification period, at the conclusion of 48 months of ticket use, you must be making timely progress as follows:
   (i) You must have worked in at least nine months within this 12-month period and have gross earnings from employment (or net earnings from self-employment as defined in §404.1080 of this chapter) in each of those nine months that are more than the SGA threshold amount specified in §404.1574(b)(2) of this chapter; or
   (ii) You must have been enrolled in a four-year degree or certification program at an educational institution and completed additional post-secondary credit hours that are considered to represent an academic year of full-time study in the program by the end of this 12-month period; or
   (iii) You must have completed a percentage of the required number of months of work and earnings described in paragraph (c)(4)(i) of this section and a percentage of the specified amount of post-secondary credit hours required under paragraph (c)(4)(ii) of this section within this 12-month period so that the sum of the two percentages equals 100 or more.

(5) During the fifth 12-month progress certification period, at the conclusion of 60 months of ticket use, you must be making timely progress as follows:
   (i) You must have worked in at least six months within this 12-month period and have earnings in each of those six months that preclude payment of Social Security disability benefits and Federal SSI cash benefits; or
   (ii) You must have been enrolled in a four-year degree or certification program at an educational institution and either completed additional post-secondary credit hours that are considered to represent an academic year of full-time study in the program or completed the course work and earned a degree or certificate from the program by the end of this 12-month period; or
   (iii) You must have completed a percentage of the required number of months of work and earnings described in paragraph (c)(5)(i) of this section and a percentage of the specified amount of post-secondary credit hours required under paragraph (c)(5)(ii) of this section within this 12-month period so that the sum of the two percentages equals 100 or more.

(6) During the sixth 12-month progress certification period, at the conclusion of 72 months of ticket use,
§ 411.192 What choices do I have if I am unable to make timely progress toward self-supporting employment?

(a) If you report to the PM that you are temporarily or otherwise unable to make timely progress toward self-supporting employment during a progress certification period, the PM will give you the choice of placing your ticket in inactive status or, if applicable, taking your ticket out of assignment with the EN or State VR agency acting as an EN. The choice of placing your ticket in inactive status applies whether your ticket is assigned or in VR cost reimbursement status (as described in § 411.166(j)).

(b) You may place your ticket in inactive status at any time by submitting a written request to the PM asking that your ticket be placed in inactive status. Your ticket will be placed in inactive status beginning with the first day of the month following the month in which you make your request. You are not considered to be using a ticket during months in which your ticket is in inactive status. Therefore, you will be subject to continuing disability reviews during those months. The months in which your ticket is in inactive status do not count toward the time limitations for making timely progress toward self-supporting employment.

(c) You may reactivate your ticket and return to in-use status if your ticket is still assigned to an EN or State VR agency acting as an EN. You may also reactivate your ticket and return to in-use status if you have a ticket which would otherwise be available for assignment, you were receiving services under an IPE from a State VR agency which chose the VR cost reimbursement option, and your VR case has not been closed by the State VR agency. You may reactivate your ticket by submitting a written request to the PM. Your ticket will be reactivated beginning with the first day of the month following the month in which the PM receives your request. The progress certification period will resume counting from the last month of in-use status, and the next progress review will be due when the progress certification period has been completed. Earnings from work, obtaining a high school diploma or GED certificate, or completion of post-secondary education credits in a two- or four-year degree or certification program or course requirements in a vocational or technical training program, as described in § 411.180, during the period your ticket is in inactive status may be counted toward meeting the requirements for the next progress review.

(d) You may take your ticket out of assignment under § 411.145(a) at any time.

§ 411.200 How will the PM conduct my progress reviews?

The PM will conduct a progress review at the end of each 12-month progress certification period.

(a) The PM will first review the available administrative records to determine if you completed the work requirements as specified in § 411.180 in the applicable progress certification period.

(b) If the administrative records do not indicate that you met the work requirements, the PM will contact either you or your EN or State VR agency to
