Social Security Administration

§ 416.1171 When the alternative rules apply.

(a) Eligibility for the alternative. We use the alternative income counting rules for you if you meet all the following conditions:

(1) You were eligible for, and received, assistance for December 1973 under a State plan for October 1972;

(2) You have continued to live in that same State since December 1973;

(3) You were transferred to the SSI rolls and received a benefit for January 1974; and

(4) You have not been ineligible for an SSI benefit for any period of more than 6 consecutive months. (For purposes of this section, an SSI benefit means a Federal benefit; it does not include any State supplementation.)

(b) Living in the same State. For purposes of this section, you have continued to live in the same State since December 1973 unless you have left it at any time with the intention of moving to another State. If there is no evidence to the contrary, we assume that—

(1) If you leave the State for 90 calendar days or less, the absence is temporary and you still live in that State; and

(2) If you leave the State for more than 90 calendar days, you are no longer living there.

§ 416.1180 General.

One of the objectives of the SSI program is to help blind or disabled persons become self-supporting. If you are blind or disabled, we will pay you SSI benefits and will not count the part of your income (for example, your or a family member’s wages, title II benefits, or pension income) that you use or set aside to use for expenses that we determine to be reasonable and necessary to fulfill an approved plan to achieve self-support. (See §§ 416.1112(c)(9) and 1124(c)(13).) You may develop a plan to achieve self-support on your own or with our help. As appropriate, we will refer you to a State rehabilitation agency or agency for the blind for additional assistance in developing a plan.

§ 416.1181 What is a plan to achieve self-support (PASS)?

(a) A PASS must—

(1) Be designed especially for you;

(2) Be in writing;

(3) Be approved by us (a change of plan must also be approved by us);

(4) Have a specific employment goal that is feasible for you, that is, a goal that you have a reasonable likelihood of achieving;

(5) Have a plan to reach your employment goal that is viable and financially sustainable, that is, the plan—

(i) Sets forth steps that are attainable in order to reach your goal, and

(ii) Shows that you will have enough money to meet your living expenses while setting aside income or resources to reach your goal;

(6) Be limited to one employment goal; however, the employment goal may be modified and any changes related to the modification must be made to the plan;

(7) Show how the employment goal will generate sufficient earnings to substantially reduce or eliminate your dependence on SSI or eliminate your need for title II disability benefits;
Example 1: A Substantial Reduction Exists. Your SSI monthly payment amount is $101 and your PASS employment goal earnings will reduce your SSI payment by $90. We may consider that to be a substantial reduction.

Example 2: A Substantial Reduction Exists. You receive a title II benefit of $550 and an SSI payment of $73. Your PASS employment goal will result in work over the SGA level that eliminates your title II benefit but increases your SSI payment by $90. We may consider that a substantial reduction because your work will eliminate your title II payment while only slightly increasing your SSI payment.

Example 3: A Substantial Reduction Does Not Exist. Your SSI monthly payment amount is $603 and your PASS employment goal earnings will reduce your SSI payment by $90. We may not consider that to be a substantial reduction.

(8) Contain a beginning date and an ending date to meet your employment goal;
(9) Give target dates for meeting milestones towards your employment goal;
(10) Show what expenses you will have and how they are reasonable and necessary to meet your employment goal;
(11) Show what money you have and will receive, how you will use or spend it to attain your employment goal, and how you will meet your living expenses; and
(12) Show how the money you set aside under the plan will be kept separate from your other funds.

(b) You must propose a reasonable ending date for your PASS. If necessary, we can help you establish an ending date, which may be different than the ending date you propose. Once the ending date is set and you begin your PASS, we may adjust or extend the ending date of your PASS based on progress towards your goal and earnings level reached.

(c) If your employment goal is self-employment, you must include a business plan that defines the business, provides a marketing strategy, details financial data, outlines the operational procedures, and describes the management plan.

(d) Your progress will be reviewed at least annually to determine if you are following the provisions of your plan.

§ 416.1182 When we begin to count the income excluded under the plan.

We will begin to count the earned and unearned income that would have been excluded under your plan in the month in which any of the following circumstances first exist:

(a) You fail to follow the conditions of your plan;
(b) You abandon your plan;
(c) You complete the time schedule outlined in the plan; or
(d) You reach your goal as outlined in the plan.

APPENDIX TO SUBPART K OF PART 416—
LIST OF TYPES OF INCOME EXCLUDED UNDER THE SSI PROGRAM AS PROVIDED BY FEDERAL LAWS OTHER THAN THE SOCIAL SECURITY ACT

Many Federal statutes in addition to the Social Security Act provide assistance or benefits for individuals and specify that the assistance or benefit will not be considered in deciding eligibility for SSI. We have listed these statutes in this appendix and have placed them in categories according to the kind of income or assistance they provide. The list gives the name of the Federal statute (where possible), the public law number, and the citation. Each item briefly describes what the statute provides that will not reduce or eliminate an SSI payment. More detailed information is available from a social security office or by reference to the statutes.

We update this list periodically. However, when new Federal statutes of this kind are enacted, or existing statutes are changed, we apply the law currently in effect, even before this appendix is updated.

I. Food

(a) Value of food coupons under the Food Stamp Act of 1977, section 1301 of Pub. L. 95–113 (91 Stat. 968, 7 U.S.C. 2017(b)).
(b) Value of federally donated foods distributed under section 32 of Pub. L. 74–320 (49 Stat. 774) or section 416 of the Agriculture Act of 1949 (63 Stat. 1058, 7 CFR 250.6(e)(9)).
