§ 416.266 Continuation of SSI status for Medicaid

If we stop your benefits because of your earnings and you are potentially eligible for the special SSI eligibility status you will continue to be considered an SSI recipient for purposes of eligibility for Medicaid during the time it takes us to determine whether the...

§ 416.265 Requirements for the special SSI eligibility status.

In order to be eligible for the special SSI eligibility status, you must have been eligible to receive a regular SSI benefit or a federally administered State supplementary payment (see §416.201) in a month before the month for which we are making the special SSI eligibility status determination. The month you were eligible for a regular SSI benefit or a federally administered State supplementary payment may not be in a prior period of eligibility which has been terminated according to §§416.1331 through 416.1335. For periods prior to May 1, 1991, you must be under age 65. Also, we must establish that:

(a) You are blind or you continue to have a disabling impairment which, if drug addiction or alcoholism is a contributing factor material to the determination of disability as described in §416.935, has not resulted in your receiving SSI cash benefits, special SSI cash benefits, or special SSI eligibility status for a total of 36 months, or Social Security benefit payments when treatment was available for a total of 36 months; and

(b) You meet all the nondisability requirements for eligibility for special SSI cash benefits (see §416.202).

We will follow the rules in this subpart in determining your eligibility for special SSI cash benefits.
