§ 655.1117 Element VII—What are the limitations as to the number of H–1C nonimmigrants that a facility may employ?

(a) The seventh attestation element requires that the facility attest that it will not, at any time, employ a number of H–1C nurses that exceeds 33% of the total number of registered nurses employed by the facility. The calculation of the population of nurses for purposes of this attestation includes only nurses who have an employer-employee relationship with the facility (as defined in §655.1102).

(b) The facility must maintain documentation (e.g., payroll records, copies of H–1C petitions) that demonstrates its compliance with this attestation. The facility must make such documentation available to the Administrator in the event of an enforcement action pursuant to subpart M of this part.

§ 655.1118 Element VIII—What are the limitations as to where the H–1C nonimmigrant may be employed?

The eighth attestation element requires that the facility attest that it will not authorize any H–1C nurse to perform services at any worksite not controlled by the facility or transfer any H–1C nurse from one worksite to another worksite, even if all of the worksites are controlled by the facility.

§ 655.1130 What criteria does the Department use to determine whether or not to certify an Attestation?

(a) An Attestation form which is complete and has no obvious inaccuracies will be accepted for filing by ETA without substantive review, except that ETA will conduct a substantive review on particular attestation elements in the following limited circumstances:

(1) Determination of whether the hospital submitting the Attestation is a qualifying “facility” (see §655.110(c)(ii), regarding the documentation required, and the process for review);

(2) Where the facility attests that it is taking or will take a “timely and significant step” other than those identified on the Form ETA 9081 (see §655.1114(b)(2)(v), regarding the documentation required, and the process for review);

(3) Where the facility asserts that taking a second “timely and significant step” is unreasonable (see §655.1114(c), regarding the documentation required, and the process for review).

(b) The certifying officer will act on the Attestation in a timely manner. If the officer does not contact the facility for information or make any determination within 30 days of receiving the Attestation, the Attestation shall be accepted for filing. If ETA receives information contesting the truth of the statements attested to or compliance with an Attestation prior to the determination to accept or reject the Attestation for filing, such information shall not be made part of ETA’s administrative record on the Attestation but shall be referred to the Administrator to be processed as a complaint pursuant to subpart M of this part if such Attestation is accepted by ETA for filing.

(c) When the facility submits the attestation to ETA and provides the notice required by §655.1116, the attestation must be made available for public examination at the facility. When ETA accepts the attestation for filing, the attestation will be made available, upon request, for public examination in the Office of Foreign Labor Certification, Employment Training Administration, U.S. Department of Labor, Room C–4312, 200 Constitution Avenue, NW., Washington, DC 20210.

(d) Standards for acceptance of Attestation. ETA will accept the Attestation for filing under the following standards:

(1) The Attestation is complete and contains no obvious inaccuracies.

(2) The facility’s explanation and documentation are sufficient to satisfy the requirements for the Attestation.
