§ 655.153 Contact with former U.S. employees.

The employer must contact, by mail or other effective means, its former U.S. workers (except those who were dismissed for cause or who abandoned the worksite) employed by the employer in the occupation at the place of employment during the previous year and solicit their return to the job. This contact must occur during the period of time that the job order is being circulated by the SWA(s) for interstate clearance and documentation sufficient to prove contact must be maintained in the event of an audit.

§ 655.154 Additional positive recruitment.

(a) Where to conduct additional positive recruitment. The employer must conduct positive recruitment within a multistate region of traditional or expected labor supply where the CO finds that there are a significant number of qualified U.S. workers who, if recruited, would be willing to make themselves available for work at the time and place needed.

(b) Additional requirements should be comparable to non-H–2A employers in the area. The CO will ensure that the effort, including the location(s) and method(s) of the positive recruitment required of the potential H–2A employer must be no less than the normal recruitment efforts of non-H–2A agricultural employers of comparable or smaller size in the area of intended employment, and the kind and degree of recruitment efforts which the potential H–2A employer made to obtain foreign workers.

(c) Nature of the additional positive recruitment. The CO will describe the precise nature of the additional positive recruitment but the employer will not be required to conduct positive recruitment in more than three States for each area of intended employment listed on the employer’s application.

(d) Proof of recruitment. The CO will specify the documentation or other supporting evidence that must be maintained by the employer as proof that the positive recruitment requirements were met.

(1) Identify the name of each recruitment source;

(2) State the name and contact information of each U.S. worker who applied or was referred to the job opportunity up to the date of the preparation of the recruitment report, and the disposition of each worker;

(4) If applicable, for each U.S. worker who applied for the position but was not hired, explain the lawful job-related reason(s) for not hiring the U.S. worker.

(b) Duty to update recruitment report. The employer must continue to maintain the recruitment report throughout the recruitment period including the 50 percent period. The updated report is not to be automatically submitted to the Department, but must be made available in the event of a post-certification audit or upon request by authorized representatives of the Secretary.

§ 655.157 Withholding of U.S. workers prohibited.

(a) Filing a complaint. Any employer who has reason to believe that a person or entity has willfully and knowingly withheld U.S. workers prior to the arrival at the worksite of H–2A workers in order to force the hiring of U.S. workers during the recruitment period, as set forth in §655.155(d), may submit a written complaint to the CO.
