

in the sciences or arts including college and university teachers of exceptional ability who have been practicing their science or art during the year prior to application and who intend to practice the same science or art in the United States. For purposes of this group, the term “science or art” means any field of knowledge and/or skill with respect to which colleges and universities commonly offer specialized courses leading to a degree in the knowledge and/or skill. An alien, however, need not have studied at a college or university in order to qualify for the Group II occupation.

### Subpart C—Labor Certification Process

#### § 656.10 General instructions.

(a) *Filing of applications.* A request for a labor certification on behalf of any alien who is required by the Act to be a beneficiary of a labor certification in order to obtain permanent resident status in the United States may be filed as follows:

(1) Except as provided in paragraphs (a)(2), (3), and (4) of this section, an employer seeking a labor certification must file under this section and § 656.17.

(2) An employer seeking a labor certification for a college or university teacher must apply for a labor certification under this section and must also file under either § 656.17 or § 656.18.

(3) An employer seeking labor certification for an occupation listed on *Schedule A* must apply for a labor certification under this section and § 656.15.

(4) An employer seeking labor certification for a shepherd must apply for a labor certification under this section and must also choose to file under either § 656.16 or § 656.17.

(b) *Representation.* (1) Employers may have agents or attorneys represent them throughout the labor certification process. If an employer intends to be represented by an agent or attorney, the employer must sign the state-

ment set forth on the *Application for Permanent Employment Certification* form: That the attorney or agent is representing the employer and the employer takes full responsibility for the accuracy of any representations made by the attorney or agent. Whenever, under this part, any notice or other document is required to be sent to the employer, the document will be sent to the attorney or agent who has been authorized to represent the employer on the *Application for Permanent Employment Certification* form.

(2)(i) It is contrary to the best interests of U.S. workers to have the alien and/or agents or attorneys for either the employer or the alien participate in interviewing or considering U.S. workers for the job offered the alien. As the beneficiary of a labor certification application, the alien can not represent the best interests of U.S. workers in the job opportunity. The alien's agent and/or attorney can not represent the alien effectively and at the same time truly be seeking U.S. workers for the job opportunity. Therefore, the alien and/or the alien's agent and/or attorney may not interview or consider U.S. workers for the job offered to the alien, unless the agent and/or attorney is the employer's representative, as described in paragraph (b)(2)(ii) of this section.

(ii) The employer's representative who interviews or considers U.S. workers for the job offered to the alien must be the person who normally interviews or considers, on behalf of the employer, applicants for job opportunities such as that offered the alien, but which do not involve labor certifications.

(3) No person under suspension or disbarment from practice before any court or before the DHS or the United States Department of Justice's Executive Office for Immigration Review is permitted to act as an agent, representative, or attorney for an employer and/or alien under this part.

(c) *Attestations.* The employer must certify to the conditions of employment listed below on the *Application for Permanent Employment Certification* under penalty of perjury under 18 U.S.C. 1621 (2). Failure to attest to any of the conditions listed below results in a denial of the application.

**§ 656.10**

**20 CFR Ch. V (4-1-14 Edition)**

(1) The offered wage equals or exceeds the prevailing wage determined pursuant to § 656.40 and § 656.41, and the wage the employer will pay to the alien to begin work will equal or exceed the prevailing wage that is applicable at the time the alien begins work or from the time the alien is admitted to take up the certified employment;

(2) The wage offered is not based on commissions, bonuses or other incentives, unless the employer guarantees a prevailing wage paid on a weekly, bi-weekly, or monthly basis that equals or exceeds the prevailing wage;

(3) The employer has enough funds available to pay the wage or salary offered the alien;

(4) The employer will be able to place the alien on the payroll on or before the date of the alien's proposed entrance into the United States;

(5) The job opportunity does not involve unlawful discrimination by race, creed, color, national origin, age, sex, religion, handicap, or citizenship;

(6) The employer's job opportunity is not:

(i) Vacant because the former occupant is on strike or locked out in the course of a labor dispute involving a work stoppage;
