all three types must be available for both adults and dislocated workers. There are different eligibility criteria for each of these types of services, which are described at §§ 663.110, 663.115, 663.220 and 663.310. (b) WIA title I funds may also be used to provide the other services described in WIA section 134(e):

(1) Discretionary One-Stop delivery activities, including:

(i) Customized screening and referral of qualified participants in training services to employment; and

(ii) Customized employment-related services to employers on a fee-for-service basis that are in addition to labor exchange services available to employers under the Wagner-Peyser Act.

(2) Supportive services, including needs-related payments, as described in subpart H of this part.

§ 663.150 What core services must be provided to adults and dislocated workers?

(a) At a minimum, all of the core services described in WIA section 134(d)(2) and 20 CFR 662.240 must be provided in each local area through the One-Stop delivery system.

(b) Followup services must be made available, as appropriate, for a minimum of 12 months following the first day of employment, to registered participants who are placed in unsubsidized employment.

§ 663.155 How are core services delivered?

Core services must be provided through the One-Stop delivery system. Core services may be provided directly by the One-Stop operator or through contracts with service providers that are approved by the Local Board. The Local Board may only be a provider of core services when approved by the chief elected official and the Governor in accordance with the requirements of WIA section 117(f)(2) and 20 CFR 661.310.

§ 663.160 Are there particular core services an individual must receive before receiving intensive services under WIA section 134(d)(3)?

(a) Yes, at a minimum, an individual must receive at least one core service, such as an initial assessment or job search and placement assistance, before receiving intensive services. The initial assessment provides preliminary information about the individual’s skill levels, aptitudes, interests, and supportive services needs. The job search and placement assistance helps the individual determine whether he or she is unable to obtain employment, and thus requires more intensive services to obtain employment. The decision on which core services to provide, and the timing of their delivery, may be made on a case-by-case basis at the local level depending upon the needs of the participant.

(b) A determination of the need for intensive services under § 663.220, as established by the initial assessment or the individual’s inability to obtain employment through the core services provided, must be contained in the participant’s case file.

§ 663.165 How long must an individual be in core services in order to be eligible for intensive services?

There is no Federally-required minimum time period for participation in core services before receiving intensive services. (WIA sec. 134(d)(3).)

Subpart B—Intensive Services

§ 663.200 What are intensive services for adults and dislocated workers?

(a) Intensive services are listed in WIA section 134(d)(3)(C). The list in the Act is not all-inclusive and other intensive services, such as out-of-area job search assistance, literacy activities related to basic workforce readiness, relocation assistance, internships, and work experience may be provided, based on an assessment or individual employment plan.

(b) For the purposes of paragraph (a) of this section, work experience is a planned, structured learning experience that takes place in a workplace for a limited period of time. Work experience may be paid or unpaid, as appropriate. A work experience workplace may be in the private for profit sector, the non-profit sector, or the public sector. Labor standards apply in any work experience where an employee/employer relationship, as defined by the Fair Labor Standards Act, exists.
