§ 664.470 Are paid work experiences allowable activities?

Funds under the Act may be used to pay wages and related benefits for work experiences in the public, private, for-profit or non-profit sectors where the objective assessment and individual service strategy indicate that work experiences are appropriate. (WIA sec. 128(c)(2)(D).)

Subpart E—Concurrent Enrollment

§ 664.500 May youth participate in both youth and adult/dislocated worker programs concurrently?

(a) Yes, under the Act, eligible youth are 14 through 21 years of age. Adults are defined in the Act as individuals age 18 and older. Thus, individuals ages 18 through 21 may be eligible for both adult and youth programs. There is no specified age for the dislocated worker program.

(b) Individuals who meet the respective eligibility requirements may participate in adult and youth programs concurrently. Concurrent enrollment is allowable for youth served in programs under WIA titles I or II. Such individuals must be eligible under the youth or adult/dislocated worker eligibility criteria applicable to the services received. Local program operators may determine, for individuals in this age group, the appropriate level and balance of services under the youth, adult, dislocated worker, or other services.

(c) Local program operators must identify and track the funding streams which pay the costs of services provided to individuals who are participating in youth and adult/dislocated worker programs concurrently, and ensure that services are not duplicated.

§ 664.510 Are Individual Training Accounts allowed for youth participants?

No, however, individuals age 18 and above, who are eligible for training services under the adult and dislocated worker programs, may receive Individual Training Accounts through those programs. Requirements for concurrent participation requirements are set forth in §664.500. To the extent possible, in order to enhance youth participant choice, youth participants should be involved in the selection of educational and training activities.

Subpart F—Summer Employment Opportunities

§ 664.600 Are Local Boards required to offer summer employment opportunities in the local youth program?

(a) Yes, Local Boards are required to offer summer youth employment opportunities that link academic and occupational learning as part of the menu of services required in §664.410(a).
Employment and Training Administration, Labor § 664.710

as appropriate to serve the needs and goals of the participants.

(c) Local Boards may determine how much of available youth funds will be used for summer and for year-round youth activities.

(d) The summer youth employment opportunities element is not intended to be a stand-alone program. Local programs should integrate a youth’s participation in that element into a comprehensive strategy for addressing the youth’s employment and training needs. Youths who participate in summer employment opportunities must be provided with a minimum of twelve months of followup services, as required in §664.450. (WIA sec. 129(c)(2)(C).)

§ 664.610 How is the summer employment opportunities element administered?

Chief elected officials and Local Boards are responsible for ensuring that the local youth program provides summer employment opportunities to youth. The chief elected officials (which may include local government units operating as a consortium) are the grant recipients for local youth funds, unless another entity is chosen to be grant recipient or fiscal agent under WIA section 117(d)(3)(B). If, in the administration of the summer employment opportunities element of the local youth program, providers other than the grant recipient/fiscal agent, are used to provide summer youth employment opportunities, these providers must be selected by awarding a grant or contract on a competitive basis, based on the recommendation of the youth council and on criteria contained in the State Plan. However, the selection of employers who are providing unsubsidized employment opportunities may be excluded from the competitive process. (WIA sec. 129(c)(2)(C).)

§ 664.620 Do the core indicators described in 20 CFR 666.100(a)(3) apply to participation in summer employment activities?

Yes, the summer employment opportunities element is one of a number of activities authorized by the WIA youth program. WIA section 126(b)(2) (A)(1) and(B) provides specific core indicators of performance for youth, and requires that all participating youth be included in the determination of whether the local levels of performance are met. Program operators can help ensure positive outcomes for youth participants by providing them with continuity of services.

Subpart G—One-Stop Services to Youth

§ 664.700 What is the connection between the youth program and the One-Stop service delivery system?

(a) The chief elected official (or designee, under WIA section 117(d)(3)(B)), as the local grant recipient for the youth program is a required One-Stop partner and is subject to the requirements that apply to such partners, described in 20 CFR part 662.

(b) In addition to the provisions of 20 CFR part 662, connections between the youth program and the One-Stop system may include those that facilitate:

(1) The coordination and provision of youth activities;

(2) Linkages to the job market and employers;

(3) Access for eligible youth to the information and services required in §§664.400 and 664.410; and

(4) Other activities designed to achieve the purposes of the youth program and youth activities as described in WIA section 129(a). (WIA secs. 121(b)(1)(B)(i); 129.)

§ 664.710 Do Local Boards have the flexibility to offer services to area youth who are not eligible under the youth program through the One-Stop centers?

Yes, however, One-Stop services for non-eligible youth must be funded by programs that are authorized to provide services to such youth. For example, basic labor exchange services under the Wagner-Peyser Act may be provided to any youth.
