HUD is authorized to provide education and organizational support assistance, in conjunction with HOME funds made available to community housing development organizations in accordance with section 233 of the Act. HUD will publish a notice in the Federal Register announcing the availability of funding under this section, as appropriate. The notice need not include funding for each of the eligible activities, but may target funding from among the eligible activities.

(ii) Requirements and practices each subrecipient and owner must adhere to in order to carry out the participating jurisdiction's affirmative marketing procedures and requirements (e.g., use of commercial media, use of community contacts, use of the Equal Housing Opportunity logotype or slogan, and display of fair housing poster);

(iii) Procedures to be used by subrecipients and owners to inform and solicit applications from persons in the housing market area who are not likely to apply for the housing program or the housing without special outreach (e.g., through the use of community organizations, places of worship, employment centers, fair housing groups, or housing counseling agencies);

(iv) Records that will be kept describing actions taken by the participating jurisdiction and by subrecipients and owners to affirmatively market the program and units and records to assess the results of these actions; and

(v) A description of how the participating jurisdiction will annually assess the success of affirmative marketing actions and what corrective actions will be taken where affirmative marketing requirements are not met.

(3) A State that distributes HOME funds to units of general local government must require each unit of general local government to adopt affirmative marketing procedures and requirements that meet the requirement in paragraphs (a) and (b) of this section.

(b) Minority outreach. A participating jurisdiction must prescribe procedures acceptable to HUD to establish and oversee a minority outreach program within its jurisdiction to ensure the inclusion, to the maximum extent possible, of minorities and women, and entities owned by minorities and women, including, without limitation, real estate firms, construction firms, appraisal firms, management firms, financial institutions, investment banking firms, underwriters, accountants, and providers of legal services, in all contracts entered into by the participating jurisdiction with such persons or entities, public and private, in order to facilitate the activities of the participating jurisdiction to provide affordable housing authorized under this Act or any other Federal housing law applicable to such jurisdiction. Section 85.36(e) of this title describes actions to be taken by a participating jurisdiction to assure that minority business enterprises and women business enterprises are used when possible in the procurement of property and services.
