The defaulting mortgagor, or any principal, successor, affiliate, or assignee thereof, on the mortgage on the property at the time of the default resulting in acquisition of the property by HUD shall not be eligible to purchase the property. A "principal" and an "affiliate" are defined as provided at 24 CFR 24.105.

§ 290.19 Restrictions concerning non-discrimination against Section 8 certificate holders and voucher holders.

The purchaser of any multifamily housing project shall not refuse unreasonably to lease a dwelling unit offered for rent, offer to sell cooperative stock, or otherwise discriminate in the terms of tenancy or cooperative purchase and sale because any tenant or purchaser is the holder of a Certificate of Family Participation or a Voucher under Section 8 of the United States Housing Act of 1937 (42 U.S.C. 1437f), or any successor legislation. This provision is limited in its application, for tenants or applicants with Section 8 Certificates or their equivalent (other than Vouchers), to those units which rent for an amount not greater than the Section 8 Fair Market Rent, as determined by HUD. The purchaser's agreement to this condition must be contained in any contract of sale and also may be contained in any regulatory agreement, use agreement, or deed entered into in connection with the disposition.

§ 290.21 Computing annual number of units eligible for substitution of tenant-based assistance or alternative uses.

(a) Substitution of tenant-based Section 8 assistance to low-income families instead of project-based assistance to units. The number of units eligible, as permitted by the Statute, for this form of substitution within the 10 percent limit will be estimated at the beginning of each fiscal year, taking into consideration the aggregate number of subsidized project units disposed of by HUD in the immediately preceding fiscal year and the disposition activity planned for the current fiscal year.

(b) Alternate uses. The number of units eligible for alternate uses in any
Office of Assistant Secretary for Housing, HUD § 290.27

fiscal year, as permitted by the Statute, will be determined at the beginning of the fiscal year as the applicable percentages (i.e., either 10 percent or 5 percent) of the estimated total number of units to be disposed of in the fiscal year, taking into consideration the total number of units in multifamily housing projects disposed of by the Department in the immediately preceding fiscal year, and the extent of the disposition activity planned in the current fiscal year.

§ 290.23 Rebuilding.

HUD may provide project-based assistance to support the rebuilding of a HUD-owned multifamily housing project only. The required determination that rebuilding the project would be less expensive than substantial rehabilitation means that the costs to HUD for rebuilding are such that the monthly debt service needed to amortize the cost of relocating tenants, demolition, site preparation, rebuilding, operating expenses, and a reasonable return to the purchaser cannot be provided with rents that are, for subsidized and formerly subsidized projects, within 120 percent of the most recently published Section 8 Fair Market Rents for Existing Housing (24 CFR part 888, subpart A) or, for unsubsidized and formerly unsubsidized projects, within rents obtainable in the market.

§ 290.25 Determination not to preserve a project or a part of a project.

HUD may determine to demolish, or otherwise dispose of, a HUD-owned multifamily housing project, or any portion of such a project, or to foreclose a HUD-held mortgage on a multifamily housing project, without ensuring its continued availability as affordable rental or cooperative housing for low- and very low-income families under appropriate circumstances which may include one or more those listed in paragraphs (a) through (g) of this section. If HUD decides not to preserve an occupied multifamily housing project at a foreclosure sale or sale of a HUD-owned project, tenants must be provided relocation assistance as described in §290.17.

(a) The costs to HUD of rehabilitation are such that the monthly debt service needed to amortize the cost of rehabilitation, operating expenses, and a reasonable return to the purchaser cannot be provided with rents that are, for subsidized and formerly subsidized projects, within 120 percent of the most recently published Section 8 Fair Market Rents for Existing Housing (24 CFR part 888, subpart A) or, for unsubsidized and formerly unsubsidized projects, within rents obtainable in the market.

(b) Construction is substantially incomplete.

§ 290.27 Up-front grants and loans.

(a) General. HUD may provide up-front grants and loans for rehabilitation, demolition, rebuilding and other related development costs as part of the disposition of a multifamily housing project that is HUD-owned, upon making a determination that such a grant or loan, plus any additional...
