(iv) “UDAG eligible jurisdiction” means a distressed community, a Pocket of Poverty, a Pocket of Poverty community, or an identifiable community described in section 119(p) of the Housing and Community Development Act of 1974.

(6) Notwithstanding any other provision of this subpart, nothing in this subpart may be construed to permit an inference or conclusion that the policy of the urban development action grant program is to facilitate the relocation of businesses from one area to another.

§ 570.455 Displacement, relocation, acquisition, and replacement of housing.

The displacement, relocation, acquisition, and replacement of housing requirements of §570.606 apply to applicants under this subpart G.

§ 570.461 Post-preliminary approval requirements; lead-based paint.

The recipient may receive preliminary approval prior to the accomplishment of lead-based paint activities conducted pursuant to part 35, subparts A, B, J, K, and R of this title, but no funds will be released until such actions are complete and evidence of compliance is submitted to HUD.

§ 570.463 Project amendments and revisions.

(a) Pre-approval revisions to the application. Applicants must submit to the HUD Area Office and to Central Office all revisions to the application. A revision is considered significant if it alters the scope, location, or scale of the project or changes the beneficiaries’ population.

The applicant must hold at least one public hearing prior to making a significant revision to the application.

(b) Post preliminary approval amendments. Applicants receiving preliminary approval must submit to the HUD Central Office, a request for approval of any significant amendment. A copy of the request must also be submitted to the Area Office. A significant amendment involves new activities or alterations thereof which will change the scope, location, scale, or beneficiaries of such activities or which, as a result of a number of smaller changes, add up to an amount that exceeds ten percent of the grant. HUD approval of amendments may be granted to those requests which meet all of the following criteria:

(1) New or significantly altered activities must meet the criteria for selection applicable at the time of receipt of the program amendment.

(2) The recipient must have complied with all requirements of this subpart.

(3) The recipient may make amendments other than those requiring prior HUD approval as defined in paragraph (b) of this section but each recipient must notify both the Area and Central Offices of such changes.

§ 570.464 Project closeout.

HUD will advise the recipient to initiate closeout procedures when HUD determines, in consultation with the recipient, that there are not impediments to closeout. Closeout shall be carried out in accordance with §570.509 and applicable HUD guidelines.

§ 570.465 Applicability of rules and regulations.

The provisions of subparts A, B, C, J, K, and O of this part 570 shall apply to this subpart except to the extent that they are modified or augmented by this subpart.

§ 570.466 Additional application submission requirements for Pockets of Poverty—employment opportunities.

Applicants for Action Grants under the Pockets of Poverty provision must describe the number and, to the extent possible, the types of new jobs (construction and permanent) that will be provided to the low- and moderate-income residents of the Pocket of Poverty as a direct result of the proposed project. If the application calls for job
training programs (such as those related to the CETA program) or job recruiting services for the pocket’s residents, then such proposed activities must be clearly and fully explained. HUD requires applicants to ensure that at least 75 percent of whatever permanent jobs initially result from the project are provided to low- and moderate-income persons and that at least 51 percent of whatever permanent jobs initially result from the project are provided to low- and moderate-income residents from the pocket. HUD encourages applicants to ensure that at least 20 percent of all permanent jobs are filled by persons from the pocket qualified to participate in the CETA program on a continuous basis. HUD requires all applicants to continuously use best efforts to ensure that at least 75 percent of all permanent jobs resulting from any Action Grant-assisted project are provided to low- and moderate-income persons and that at least 51 percent of all permanent jobs resulting from any Action Grant-assisted project are provided to low- and moderate-income residents from the pocket. The application should clearly describe how the applicant intends to meet initial and continuous job requirements. Private participating parties must meet these employment requirements in the aggregate. To enable the private participants to do so, lease agreements executed by a private participating party shall include:

(a) Provisions requiring lessees to follow hiring practices that the private participating party has determined will enable it to meet these requirements in the aggregate; and

(b) Provisions that will enable the private participating party to declare a default under the lease agreement if the lessees do not follow such practices.
