§ 578.9 Preparing an application for funds.

(a) The Continuum must:

(1) Design, operate, and follow a collaborative process for the development of applications and approve the submission of applications in response to a NOFA published by HUD under §578.19 of this subpart;

(2) Establish priorities for funding projects in the geographic area;

(3) Determine if one application for funding will be submitted for all projects within the geographic area or if more than one application will be submitted for the projects within the geographic area;

(i) If more than one application will be submitted, designate an eligible applicant to be the collaborative applicant that will collect and combine the required application information from all applicants and for all projects within the geographic area that the Continuum has selected funding. The collaborative applicant will also apply for Continuum of Care planning activities. If the Continuum is an eligible applicant, it may designate itself;

(ii) If only one application will be submitted, that applicant will be the collaborative applicant and will collect and combine the required application information from all projects within the geographic area that the Continuum has selected for funding and apply for Continuum of Care planning activities;

(b) The Continuum retains all of its responsibilities, even if it designates one or more eligible applicants other than itself to apply for funds on behalf of the Continuum. This includes approving the Continuum of Care application.

§ 578.11 Unified Funding Agency.

(a) Becoming a Unified Funding Agency. To become designated as the Unified Funding Agency (UFA) for a Continuum, a collaborative applicant must be selected by the Continuum to apply to HUD to be designated as the UFA for the Continuum.

(b) Criteria for designating a UFA. HUD will consider these criteria when deciding whether to designate a collaborative applicant a UFA:

(1) The Continuum of Care it represents meets the requirements in §578.7;

(2) The collaborative applicant has financial management systems that meet the standards set forth in 24 CFR §84.21 (for nonprofit organizations) and 24 CFR §85.20 (for States);

(3) The collaborative applicant demonstrates the ability to monitor sub-recipients; and

(4) Such other criteria as HUD may establish by NOFA.

(c) Requirements. HUD-designated UFAs shall:

(1) Apply to HUD for funding for all of the projects within the geographic area and enter into a grant agreement with HUD for the entire geographic area.

(2) Enter into legally binding agreements with sub-recipients, and receive and distribute funds to sub-recipients for all projects within the geographic area.

(3) Require sub-recipients to establish fiscal control and accounting procedures as necessary to assure the proper disbursal of and accounting for federal funds in accordance with the requirements of 24 CFR parts 84 and 85 and corresponding OMB circulars.

(4) Obtain approval of any proposed grant agreement amendments by the
Continuum of Care before submitting a request for an amendment to HUD.

§ 578.13 Remedial action.

(a) If HUD finds that the Continuum of Care for a geographic area does not meet the requirements of the Act or its implementing regulations, or that there is no Continuum for a geographic area, HUD may take remedial action to ensure fair distribution of grant funds within the geographic area. Such measures may include:

(1) Designating a replacement Continuum of Care for the geographic area;
(2) Designating a replacement collaborative applicant for the Continuum’s geographic area; and
(3) Accepting applications from other eligible applicants within the Continuum’s geographic area.

(b) HUD must provide a 30-day prior written notice to the Continuum and its collaborative applicant and give them an opportunity to respond.

Subpart C—Application and Grant Award Process

§ 578.15 Eligible applicants.

(a) Who may apply. Nonprofit organizations, States, local governments, and instrumentalities of State or local governments are eligible to apply for grants.

(b) Designation by the Continuum of Care. Eligible applicant(s) must have been designated by the Continuum of Care to submit an application for grant funds under this part. The designation must state whether the Continuum is designating more than one applicant to apply for funds and, if it is, which applicant is being designated as the collaborative applicant. If the Continuum is designating only one applicant to apply for funds, the Continuum must designate that applicant to be the collaborative applicant.

(c) Exclusion. For-profit entities are not eligible to apply for grants or to be subrecipients of grant funds.

§ 578.17 Overview of application and grant award process.

(a) Formula. (1) After enactment of the annual appropriations act for each fiscal year, and issuance of the NOFA, HUD will publish, on its Web site, the Preliminary Pro Rata Need (PPRN) assigned to metropolitan cities, urban counties, and all other counties.

(2) HUD will apply the formula used to determine PPRN established in paragraph (a)(3) of this section, to the amount of funds being made available under the NOFA. That amount is calculated by:

(i) Determining the total amount for the Continuum of Care competition in accordance with section 413 of the Act or as otherwise directed by the annual appropriations act;
(ii) From the amount in paragraph (a)(2)(i) of this section, deducting the amount published in the NOFA as being set aside to provide a bonus to geographic areas for activities that have proven to be effective in reducing homelessness generally or for specific subpopulations listed in the NOFA or achieving homeless prevention and independent living goals established in the NOFA and to meet policy priorities set in the NOFA; and
(iii) Deducting the amount of funding necessary for Continuum of Care planning activities and UFA costs.

(3) PPRN is calculated on the amount determined under paragraph (a)(2) of this section by using the following formula:

(i) Two percent will be allocated among the four insular areas (American Samoa, Guam, the Commonwealth of the Northern Marianas, and the Virgin Islands) on the basis of the ratio of the population of each insular area to the population of all insular areas.

(ii) Seventy-five percent of the remaining amount will be allocated, using the Community Development Block Grant (CDBG) formula, to metropolitan cities and urban counties that have been funded under either the Emergency Shelter Grants or Emergency Solutions Grants programs in any one year since 2004.

(iii) The amount remaining after the allocation under paragraphs (a)(1) and (2) of this section will be allocated, using the CDBG formula, to metropolitan cities and urban counties that have not been funded under the Emergency Solutions Grants program in any year since 2004 and all other counties in the United States and Puerto Rico.
