§ 1006.325 Maintenance, management and efficient operation.

(a) Written policies. The DHHL must develop and enforce policies governing the management and maintenance of rental housing assisted with NHHBG funds.

(b) Disposal of housing. This section may not be construed to prevent the DHHL, or any entity funded by the DHHL, from demolishing or disposing of housing, pursuant to regulations established by HUD.

§ 1006.330 Insurance coverage.

(a) In general. As a condition to receiving NHHBG funds, the DHHL must require adequate insurance coverage for housing units that are owned or operated or assisted with more than $5,000 of NHHBG funds, including a loan of more than $5,000 that includes payback provisions.

(b) Adequate insurance. Insurance is adequate if it is a purchased insurance policy from an insurance provider or a plan of self-insurance in an amount to cover replacement cost.

(c) Loss covered. The DHHL must provide for or require insurance in adequate amounts to indemnify against loss from fire, weather, and liability claims for all housing units owned, operated or assisted by the DHHL. NHHBG funds may only be used to purchase insurance for low-income homeowners and only in amounts sufficient to protect against the loss of the NHHBG funds at risk in the property. The cost of such insurance may not include coverage for a resident’s personal property.

(d) Exception. The DHHL shall not require insurance if the assistance is in an amount less than $5000.

§ 1006.335 Use of nonprofit organizations and public-private partnerships.

(a) Nonprofit organizations. The DHHL must, to the extent practicable, provide private nonprofit organizations experienced in the planning and development of affordable housing for Native Hawaiians to carry out affordable housing activities with NHHBG funds.

(b) Public-private partnerships. The DHHL must make all reasonable efforts to maximize participation by the private sector, including nonprofit organizations and for-profit entities, in implementing its housing plan.

§ 1006.340 Treatment of program income.

(a) Defined. Program income is income realized from the use of NHHBG funds. If gross income is used to pay costs incurred that are essential or incidental to generating the income, these costs may be deducted from gross income to determine program income. Program income includes income from fees for services performed; from the use or rental of real or personal property acquired or assisted with NHHBG funds; from the sale of property acquired or assisted with NHHBG funds; and from payments of interest earned on investment of NHHBG funds pursuant to §1006.235.

(b) Authority to retain. The DHHL may retain any program income that is realized from any NHHBG funds if:

(1) That income was realized after the initial disbursement of the NHHBG funds received by the DHHL; and

(2) The DHHL agrees to use the program income for affordable housing activities in accordance with the provisions of the Act and this part; and

(3) The DHHL disburses program income before disbursing additional NHHBG funds in accordance with 24 CFR part 85.

(c) Exclusion of amounts. If the amount of income received in a single fiscal year by the DHHL, which would otherwise be considered program income, does not exceed $25,000, such funds may be retained but will not be considered program income.

§ 1006.345 Labor standards.

(a) Davis-Bacon wage rates. (1) As described in section 805(b) of the Act, contracts and agreements for assistance, sale or lease under this part must
