home, but at least one of each such space), must be designed to be accessible or adaptable for persons with disabilities.

(3) In projects for developmentally disabled or physically disabled persons, all dwelling units in an independent living facility (or all bedrooms and bathrooms in a group home) must be designed to be accessible or adaptable for persons with physical disabilities. A project involving acquisition and/or rehabilitation may provide a lesser number if:

(i) The cost of providing full accessibility makes the project financially infeasible;

(ii) Fewer than one-half of the intended occupants have mobility impairments; and

(iii) The project complies with the requirements of 24 CFR 8.23.

(4) For the purposes of paragraph (b) of this section, the following definitions apply:

(i) *Accessible* describes a site, building, facility, or portion thereof that complies with the Uniform Federal Accessibility Standards and that can be approached, entered, and used by physically disabled people;

(ii) *Adaptability* means the ability of certain building spaces and elements, such as kitchen counters, sinks, and grab bars, to be added or altered so as to accommodate the needs of either disabled or nondisabled persons, or to accommodate the needs of either disabled or nondisabled persons, or to accommodate the needs of persons with different types or degrees of disability.

§ 891.315 Prohibited facilities.

This section shall apply to capital advances under the Section 811 Program, as well as loans financed under subpart E of this part. Project facilities may not include infirmaries, nursing stations, spaces dedicated to the delivery of medical treatment or physical therapy, padded rooms, or space for respite care or sheltered workshops, even if paid for from sources other than the HUD capital advance or loan. Except for office space used by the Owner (or Borrower, if applicable) exclusively for the administration of the project, project facilities may not include office space.

§ 891.320 Site and neighborhood standards.

In addition to the requirements in § 891.125 and § 891.680, if applicable, the following site and neighborhood requirements apply to the Section 811 Program:

(a) Travel time and cost via public transportation or private automobile, from the neighborhood to places of employment providing a range of jobs for very low-income workers (or low-income workers, as applicable), must not be excessive.

(b) Projects should be located in neighborhoods where other family housing is located. Projects should not be located adjacent to the following facilities, or in areas where such facilities are concentrated: schools or day-care centers for persons with disabilities, workshops, medical facilities, or other housing primarily serving persons with disabilities. Not more than one group home may be located on any one site and no such home may be located on a site contiguous to another site containing such a home.

§ 891.325 Lead-based paint requirements.

The requirements of the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821–4846), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851–4856), and implementing regulations at part 35, subparts A, B, H, J, and R of this title apply to the section 811 program and to projects funded under §§ 891.655 through 891.790.

Subpart D—Project Management

§ 891.400 Responsibilities of owner.

(a) *Marketing.* (1) The Owner must commence and continue diligent marketing activities not later than 90 days before the anticipated date of availability of the first unit or occupancy of the group home. Market activities shall include the provision of notices of the availability of housing under the program to operators of temporary housing for the homeless in the same housing market.
