§ 162.502 Who must obtain a WEEL or WSR lease?

(a) Anyone seeking to possess Indian land to conduct activities associated with the evaluation of wind resources must obtain a WEEL, except that a WEEL is not required if use or possession of the Indian land to conduct wind energy evaluation activities is authorized:

(1) Under §162.005(b); or
(2) By a permit from the Indian landowners under §162.007; or
(3) By a tribe on its land under 25 U.S.C. 81.

(b) Except as provided in §§162.005(b), 162.501, and paragraph (c) of this section, anyone seeking to possess Indian land to conduct activities associated with the development of wind and/or solar resources must obtain a WSR lease.

(c) A tribe that conducts wind and solar resource activities on its tribal land does not need a WEEL or WSR under this subpart.

§ 162.503 Is there a model WEEL or WSR lease?

There is no model WEEL or WSR lease because of the need for flexibility in negotiating and writing WEELs and WSR leases; however, we may:

(a) Provide other guidance, such as checklists and sample lease provisions, to assist in the lease negotiation process; and
(b) Assist the Indian landowners, upon their request, in developing appropriate lease provisions or in using tribal lease forms that conform to the requirements of this part.

§ 162.511 What is the purpose of a WEEL?

A WEEL is a short-term lease that allows the lessee to possess trust or restricted lands for the purpose of evaluating wind resources. The lessee may use information collected under the WEEL to assess the potential for wind energy development, and determine future placement and type of wind energy technology to use in developing the energy resource potential of the leased area.

§ 162.512 How long may the term of a WEEL run?

(a) A WEEL must provide for a definite term, state if there is an option to renew and if so, provide for a definite term for the renewal period. WEELs are for project evaluation purposes, and therefore may have:

(1) An initial term that is no longer than 3 years; and
(2) One renewal period not to exceed 3 years.

(b) The exercise of the option to renew must be in writing and the WEEL must specify:

(1) The time and manner in which the option must be exercised or is automatically effective;
(2) That confirmation of the renewal will be submitted to us, unless the WEEL provides for automatic renewal; and
(3) Additional consideration, if any, that will be due upon the exercise of the option to renew or the start of the renewal term.

§ 162.513 Are there mandatory provisions a WEEL must contain?

(a) All WEELs must identify:

(1) The tract or parcel of land being leased;
(2) The purpose of the WEEL and authorized uses of the leased premises;
(3) The parties to the WEEL;
(4) The term of the WEEL;
(5) The ownership of permanent improvements and the responsibility for constructing, operating, maintaining, and managing permanent improvements, under §162.515;
