Bureau of Indian Affairs, Interior

ADULT CARE ASSISTANCE

§ 20.331 What is Adult Care Assistance?
Adult care assistance provides non-medical care for eligible adult Indians who:
(a) Have needs that require personal care and supervision due to advanced age, infirmity, physical condition, or mental impairments; and
(b) Cannot be cared for in their own home by family members.

§ 20.332 Who can receive Adult Care Assistance?
An adult Indian is eligible to receive adult care assistance under this part if he/she:
(a) Is unable to meet his/her basic needs, including non-medical care and/or protection, with his/her own resources; and
(b) Does not require intermediate or skilled nursing care.

§ 20.333 How do I apply for Adult Care Assistance?
To apply for adult care assistance, you or someone acting on your behalf must submit an application form to the social services worker.

§ 20.334 What happens after I apply?
(a) The Bureau will determine eligibility based upon the income and available resources of the person named in the application.
(b) Upon approval by the Bureau Line Officer, payments will be approved under purchase of service agreements for adult care provided in state or tribally licensed or certified group settings, or by individual service providers licensed or certified for homemaker service.

Subpart D—Services to Children, Elderly, and Families

§ 20.400 Who should receive Services to Children, Elderly, and Families?
Services to Children, Elderly, and Families will be provided for Indians meeting the requirements prescribed in §20.300 who request these services or on whose behalf these services are requested.

§ 20.401 What is included under Services to Children, Elderly, and Families?
Services to Children, Elderly, and Families include, but are not limited to, the following:
(a) Assistance in solving problems related to family functioning and interpersonal relationships;
(b) Referral to the appropriate resource for problems related to illness, physical or mental handicaps, drug abuse, alcoholism, and violation of the law; and
(c) Protective services.
In addition, economic opportunity and money management may also be provided.

§ 20.402 When are protective services provided?
Protective services are provided when children or adults:
(a) Are deprived temporarily or permanently of needed supervision by responsible adults;
(b) Are neglected, abused or exploited;
(c) Need services when they are mentally or physically handicapped or otherwise disabled; or
(d) Are under the supervision of the Bureau in regard to the use and disbursement of funds in the child’s or adult’s Individual Indian Money (IIM) account. Those IIM accounts that are established for children will be supervised by the Bureau until the child becomes an adult as defined in 25 CFR 115.

§ 20.403 What do protective services include?
Protective services provided to a child, family or elderly person will be documented in the case files and:

§ 20.404 What information is contained in a social services assessment?

A social services assessment must contain, but is not limited to, the following:

(a) Identifying information about the client (for example, name, address, age, gender, social security number, telephone number, certificate of Indian blood, education level), family history, and other information necessary to provide assistance.

(b) Identifying the need for protective services, including requests for social services, and the extent to which protective services are necessary.

(c) Identifying the need for legal assistance, including representation by an attorney.

(d) Identifying the need for medical assistance, including referrals to medical providers.

(e) Identifying the need for employment assistance, including referrals to job placement agencies.

(f) Identifying the need for educational assistance, including referrals to educational providers.

(g) Identifying the need for housing assistance, including referrals to housing providers.

(h) Identifying the need for transportation assistance, including referrals to transportation providers.

(i) Identifying the need for counseling services, including referrals to counseling providers.

(j) Identifying the need for substance abuse treatment services, including referrals to treatment providers.

(k) Identifying the need for psychological services, including referrals to psychological providers.

(l) Identifying the need for psychological services, including referrals to educational providers.

(m) Identifying the need for legal assistance, including representation by an attorney.

(n) Identifying the need for medical assistance, including referrals to medical providers.

(o) Identifying the need for employment assistance, including referrals to job placement agencies.

(p) Identifying the need for educational assistance, including referrals to educational providers.

(q) Identifying the need for housing assistance, including referrals to housing providers.

(r) Identifying the need for transportation assistance, including referrals to transportation providers.

(s) Identifying the need for counseling services, including referrals to counseling providers.

(t) Identifying the need for substance abuse treatment services, including referrals to treatment providers.

(u) Identifying the need for psychological services, including referrals to psychological providers.

(v) Identifying the need for psychological services, including referrals to educational providers.

(w) Identifying the need for legal assistance, including representation by an attorney.

(x) Identifying the need for medical assistance, including referrals to medical providers.

(y) Identifying the need for employment assistance, including referrals to job placement agencies.

(z) Identifying the need for educational assistance, including referrals to educational providers.

1. Providing responses to requests from members of the community on behalf of children or adults alleged to need protective services; and

2. Providing services to children, elderly, and families, including referrals for homemakers and day care services for the elderly and children; and

3. Coordinating with Indian courts to provide services, which may include, but are not limited to, the following:

(a) Investigating and reporting on allegations of child abuse and neglect, abandonment, and conditions that may require referrals (such as mental or physical handicaps);

(b) Providing social information related to the disposition of a case, including recommendation of alternative resources for treatment; and

(c) Providing social information related to the disposition of a case, including recommendation of alternative resources for treatment; and

4. Coordinating with other community services, including groups, agencies, and facilities in the community. Coordination can include, but are not limited to:

(a) Evaluating social conditions that affect community well-being;

(b) Treating conditions identified under paragraph (b)(1) of this section that are within the competence of social services workers; and

(c) Working with other community agencies to identify and help clients to use services available for assistance in solving the social problems of individuals, families, and children.

5. Coordinating with law enforcement and tribal courts, to place the victim of an alleged and/or substantiated incident of abuse, neglect, or exploitation out of the home to assure safety while the allegations are being investigated. Social services workers may remove individuals in life threatening situations. After a social services assessment, the individual must be either returned to the parent(s) or to the home from which they were removed or the social services worker must initiate other actions as provided by the tribal code; and

6. Providing social services in the home, coordinating and making referrals to other programs/services, including Child Protection, and/or establishing Multi-Disciplinary Teams.

(b) Must include, where the service population includes IIM account holders:

1. Conducting, upon the request of an account holder or other interested party, a social services assessment to evaluate an adult account holder’s circumstances and abilities and the extent to which the account holder needs assistance in managing his or her financial affairs; and

2. Managing supervised IIM accounts of children and adults (in conjunction with legal guardians), which includes, but is not limited to, the following:

(a) Evaluating the needs of the account holder;

(b) Developing, as necessary and as permitted under 25 CFR 115, a one-time or an annual distribution plan for funds held in an IIM account along with any amendments to the plan for approval by the Bureau;

(c) Monitoring the implementation of the approved distribution plan to ensure that the funds are expended in accordance with the distribution plan;

(d) Reviewing the supervised account every 6 months or more often as necessary if conditions have changed to warrant a recommendation to change the status of the account holder, or to modify the distribution plan;

(e) Reviewing receipts for an account holder’s expenses and verifying that expenditures of funds from a supervised IIM account were made in accordance with the distribution plan approved by the Bureau, including any amendments made to the plan; and

(f) Petitioning a court of competent jurisdiction for the appointment of, or change in, a legal guardian for a client, where appropriate.
