§ 40.2 Working scholarships.

Working scholarships may be granted to Indians who wish to earn their board and room by part-time work at Federal boarding schools that are located near a college, trade, or vocational school.

§ 40.3 Applications.

Applications for educational loans, grants, and working scholarships shall be submitted through the superintendent or officer in charge of the agency at which the applicant is enrolled in the manner prescribed by the Commissioner.

§ 40.4 Security.

If a borrower or cosigner has security to offer for an educational loan it must be given in an amount adequate to protect the loan.

§ 40.5 Repayments.

Repayment schedules for educational loans may provide not to exceed two years for repayment for each year in school.
