§ 41.242 Renewal of permit.

(a) Permits with an effective date on or after August 26, 2013. A person operating as an importer of processed tobacco that holds a permit issued under §41.240 bearing an effective date of August 26, 2013 or later, and that wishes to continue operations beyond the expiration of the permit, must apply for renewal of the permit within 30 days prior to expiration of the permit, in accordance with instructions provided with the renewal application form. Permits will be renewed only for those persons that have engaged in the importing of processed tobacco under the current permit during the one year period immediately prior to the date of the application to renew.

(b) Permits with an effective date prior to August 26, 2013. A person may not obtain renewal of a permit bearing an effective date prior to August 26, 2013. A person operating as an importer of processed tobacco that holds a permit bearing an effective date prior to August 26, 2013, and that wishes to continue operations beyond the expiration of the permit, must apply for and receive a new permit for issuance under §41.240 and in accordance with the rules contained in §41.241(b).

§ 41.243 Retention of permit and supporting documents.

The importer of processed tobacco must retain the permit, together with the copy of the application and supporting documents returned with the permit, at the same place where the records required by this subpart are kept. The permit and supporting documents must be made available for inspection by any appropriate TTB officer upon request.

§ 41.251 Change in name.

(a) Change in individual name. When there is a change in the name of an individual operating under a permit as an importer of processed tobacco, the importer must, within 30 days of such change, make application on TTB F 5230.5 for an amended permit.

(b) Change in trade name. When there is a change in a trade name used by an importer of processed tobacco in connection with operations authorized by the permit, the importer must, within 30 days of such change, make application on TTB F 5230.5 for an amended permit to reflect such change. This requirement also applies to the addition or discontinuance of a trade name. The importer must also furnish a true copy of any new trade name certificate or document issued to the importer, or statement in lieu thereof, required by §41.236.

(c) Change in corporate name. When there is a change in the corporate name of an importer of processed tobacco, the importer must, within 30 days of such change, make application on TTB F 5230.5 for an amended permit. The importer must also furnish such documents as may be necessary to establish that the corporate name has been changed.

§ 41.252 Change in ownership or control.

(a) Fiduciary successor. If an administrator, executor, receiver, trustee, assignee, or other fiduciary is to take over the business of an importer of processed tobacco as a continuing operation, such fiduciary shall, before commencing operations, make application for permit in accordance with §41.232, furnish certified copies, in duplicate, of the order of the court, or other pertinent documents, showing his appointment and qualification as such fiduciary. However, where a fiduciary intends only to liquidate the business, qualification as an importer of processed tobacco will not be required if he promptly files with the appropriate TTB officer a written statement to that effect.
(b) **Transfer of ownership.** If a transfer in ownership of the business of an importer of processed tobacco (including a change of any member of a partnership or association) is to be made, such importer shall give notice, in writing, to the appropriate TTB officer, naming the proposed successor and the desired effective date of the transfer. The proposed successor must, before commencing operations, qualify as an importer of processed tobacco in accordance with this subpart. The importer must give notice of the transfer, and the proposed successor must make application for permit, in ample time for examination and approval thereof before the desired date of such change. The predecessor must make a concluding report, in accordance with §41.262, and surrender the permit with the report. The successor must make a first report, in accordance with §41.262.

(c) **Change in officers, directors, or stockholders of a corporation.** Upon election or appointment (excluding successive reelection or reappointment) of any officer or director of a corporation operating as an importer of processed tobacco, or upon any occurrence that results in a person acquiring ownership or control of more than ten percent in aggregate of the outstanding stock of such corporation, the importer shall, within 30 days of such action, so notify the appropriate TTB officer in writing, giving the identity of such person. When there is any change in the authority furnished under §41.271 for officers to act on behalf of the corporation, the importer must immediately so notify the appropriate TTB officer in writing.

(d) **Change in control of corporation.** When the issuance, sale, or transfer of the stock of a corporation operating as an importer of processed tobacco results in a change in the identity of the principal stockholders exercising actual or legal control of the operations of the corporation, the corporate manufacturer must, within 30 days after the change occurs, make application on TTB F 5230.4 for a new permit. Otherwise, the present permit shall be automatically terminated at the expiration of such 30-day period, and the importer must make a concluding report, in accordance with §41.262, and surrender the permit with the report. If the application for a new permit is timely made, the present permit will continue in effect pending final action with respect to such application.

§41.253 **Change in location or address.**

Whenever an importer of processed tobacco intends to relocate the principal business office, the importer must, before commencing operations at the new location, make application on TTB F 5230.5, and obtain an amended permit. Whenever any change occurs in the address, but not the location, of the principal business office of an importer of processed tobacco, as a result of action of local authorities, the importer must, within 30 days of such change, make application on TTB F 5230.5 for an amended permit. Whenever the importer wishes to change the location of the premises used for the storage of processed tobacco imported or received by the importer to an extent that would be inconsistent with the location information submitted with the importer’s last permit application, the importer must apply for, and obtain, an amended permit before such a change in premises takes place.

**OPERATIONS OF IMPORTERS OF PROCESSED TOBACCO**

§41.261 **Records.**

(a) Any person who imports, or who knowingly causes to be imported, processed tobacco must make and keep records of operations and transactions. A person purchasing processed tobacco from the importer in a domestic transaction and who does not knowingly cause the processed tobacco to be imported is not required to make and keep records unless the terms and conditions of the importation are controlled by the person placing the order with the importer (for example, the importer is not an independent contractor but the agent of the person placing the order). Records maintained must reflect the date and quantity of processed tobacco:
