§ 447.22  Forgings, castings, and machined bodies.

Articles on the U.S. Munitions Import List include articles in a partially completed state (such as forgings, castings, extrusions, and machined bodies) which have reached a stage in manufacture where they are clearly identifiable as defense articles. If the end-item is an article on the U.S. Munitions Import List, (including components, accessories, attachments and parts) then the particular forging, casting, extrusion, machined body, etc., is considered a defense article subject to the controls of this part, except for such items as are in normal commercial use.

Subpart D—Registration

§ 447.31 Registration requirement.

Persons engaged in the business, in the United States, of importing articles enumerated on the U.S. Munitions Import List must register by making an application on ATF Form 4587.

§ 447.32 Application for registration and refund of fee.

(a) Application for registration must be filed on ATF Form 4587 and must be accompanied by the registration fee at the rate prescribed in this section. The appropriate ATF officer will approve the application and return the original to the applicant.

(b) Registration may be effected for periods of from 1 to 5 years at the option of the registrant by identifying on
