§ 478.40a Transfer and possession of large capacity ammunition feeding devices.

(a) Prohibition. No person shall transfer or possess a large capacity ammunition feeding device.

(b) Exceptions. The provisions of paragraph (a) of this section shall not apply to:

1. The possession or transfer of any large capacity ammunition feeding device otherwise lawfully possessed on September 13, 1994;

2. The manufacture for, transfer to, or possession by the United States or a department or agency of the United States or a State or a department, agency, or political subdivision of a State, or a transfer to or possession by a law enforcement officer employed by such an entity for purposes of law enforcement;

3. The transfer to a licensee under Title I of the Atomic Energy Act of 1954 for purposes of establishing and maintaining an on-site physical protection system and security organization required by Federal law, or possession by an employee or contractor of such licensee on-site for such purposes or off-site for purposes of licensee-authorized training or transportation of nuclear materials;

4. The possession, by an individual who is retired from service with a law enforcement agency and is not otherwise prohibited from receiving ammunition, of a large capacity ammunition feeding device transferred to the individual by the agency upon such retirement;

5. The manufacture, transfer, or possession of any large capacity ammunition feeding device by a manufacturer or importer for the purposes of testing or experimentation in accordance with § 478.153; or

6. The manufacture, transfer, or possession of any large capacity ammunition feeding device by a manufacturer or importer for the purpose of exportation in accordance with the Arms Export Control Act (22 U.S.C. 2778).
