

**§ 26.23**

**28 CFR Ch. I (7–1–14 Edition)**

(ii) The compensation of retained counsel in State postconviction proceedings in capital cases who meet State standards of competency sufficient under paragraph (b);

(iii) The compensation of appointed counsel in State appellate or trial proceedings in capital cases; or

(iv) The compensation of attorneys representing the State in State postconviction proceedings in capital cases, subject to adjustment for private counsel to take account of overhead costs not otherwise payable as reasonable litigation expenses.

(2) Provisions for compensation not satisfying the benchmark criteria in paragraph (c)(1) of this section will be deemed adequate only if the State mechanism is otherwise reasonably designed to ensure the availability for appointment of counsel who meet State standards of competency sufficient under paragraph (b) of this section.

(d) The mechanism must provide for payment of reasonable litigation expenses of appointed counsel. Such expenses may include, but are not limited to, payment for investigators, mitigation specialists, mental health and forensic science experts, and support personnel. Provision for reasonable litigation expenses may incorporate presumptive limits on payment only if means are authorized for payment of necessary expenses above such limits.

**§ 26.23 Certification process.**

(a) An appropriate State official may request in writing that the Attorney General determine whether the State meets the requirements for certification under § 26.22 of this subpart.

(b) Upon receipt of a State's request for certification, the Attorney General will make the request publicly available on the Internet (including any supporting materials included in the request) and publish a notice in the FEDERAL REGISTER—

(1) Indicating that the State has requested certification;

(2) Identifying the Internet address at which the public may view the State's request for certification; and

(3) Soliciting public comment on the request.

(c) The State's request will be reviewed by the Attorney General. The

review will include consideration of timely public comments received in response to the FEDERAL REGISTER notice under paragraph (b) of this section, or any subsequent notice the Attorney General may publish providing a further opportunity for comment. The certification will be published in the FEDERAL REGISTER if certification is granted. The certification will include a determination of the date the capital counsel mechanism qualifying the State for certification was established.

(d) A certification by the Attorney General reflects the Attorney General's determination that the State capital counsel mechanism reviewed under paragraph (c) of this section satisfies chapter 154's requirements. A State may request a new certification by the Attorney General to ensure the continued applicability of chapter 154 to cases in which State postconviction proceedings occur after a change or alleged change in the State's certified capital counsel mechanism. Changes in a State's capital counsel mechanism do not affect the applicability of chapter 154 in any case in which a mechanism certified by the Attorney General existed throughout State postconviction proceedings in the case.

(e) A certification remains effective for a period of five years after the completion of the certification process by the Attorney General and any related judicial review. If a State requests re-certification at or before the end of that five-year period, the certification remains effective for an additional period extending until the completion of the re-certification process by the Attorney General and any related judicial review.
