have completed the required specialized training in conducting sexual abuse investigations.

(d) Any State entity or Department of Justice component that investigates sexual abuse in confinement settings shall provide such training to its agents and investigators who conduct such investigations.

§ 115.235 Specialized training: Medical and mental health care.

(a) The agency shall ensure that all full- and part-time medical and mental health care practitioners who work regularly in its facilities have been trained in:

1. How to detect and assess signs of sexual abuse and sexual harassment;
2. How to preserve physical evidence of sexual abuse;
3. How to respond effectively and professionally to victims of sexual abuse and sexual harassment; and
4. How and to whom to report allegations or suspicions of sexual abuse and sexual harassment.

(b) If medical staff employed by the agency conduct forensic examinations, such medical staff shall receive the appropriate training to conduct such examinations.

(c) The agency shall maintain documentation that medical and mental health practitioners have received the training referenced in this standard either from the agency or elsewhere.

(d) Medical and mental health care practitioners shall also receive the training mandated for employees under § 115.231 or for contractors and volunteers under § 115.232, depending upon the practitioner’s status at the agency.

§ 115.241 Screening for risk of victimization and abusiveness.

(a) All residents shall be assessed during an intake screening and upon transfer to another facility for their risk of being sexually abused by other residents or sexually abusive toward other residents.

(b) Intake screening shall ordinarily take place within 72 hours of arrival at the facility.

(c) Such assessments shall be conducted using an objective screening instrument.

(d) The intake screening shall consider, at a minimum, the following criteria to assess residents for risk of sexual victimization:

1. Whether the resident has a mental, physical, or developmental disability;
2. The age of the resident;
3. The physical build of the resident;
4. Whether the resident has previously been incarcerated;
5. Whether the resident’s criminal history is exclusively nonviolent;
6. Whether the resident has prior convictions for sex offenses against an adult or child;
7. Whether the resident is or is perceived to be gay, lesbian, bisexual, transgender, intersex, or gender non-conforming;
8. Whether the resident has previously experienced sexual victimization; and
9. The resident’s own perception of vulnerability.

(e) The intake screening shall consider prior acts of sexual abuse, prior convictions for violent offenses, and history of prior institutional violence or sexual abuse, as known to the agency, in assessing residents for risk of being sexually abusive.

(f) Within a set time period, not to exceed 30 days from the resident’s arrival at the facility, the facility will reassess the resident’s risk of victimization or abusiveness based upon any additional, relevant information received by the facility since the intake screening.

(g) A resident’s risk level shall be reassessed when warranted due to a referral, request, incident of sexual abuse, or receipt of additional information that bears on the resident’s risk of sexual victimization or abusiveness.

(h) Residents may not be disciplined for refusing to answer, or for not disclosing complete information in response to, questions asked pursuant to paragraphs (d)(1), (d)(7), (d)(8), or (d)(9) of this section.

(i) The agency shall implement appropriate controls on the dissemination within the facility of responses to
