Subpart E—Inmate Contributions

§ 551.50 Policy.
(a) An inmate may contribute to a candidate for election to a federal, state or local office, in a primary, general, or special election.
(b) An inmate may contribute to any international, national or local organization, including political parties, so long as the contribution does not violate any law or regulation.

Subpart F—Volunteer Community Service Projects

§ 551.60 Volunteer community service projects.
(a) A volunteer community service project is a project sponsored and developed by local government or by a nonprofit charitable organization, submitted to the institution, and recommended by the Warden for approval of the Regional Director. Volunteer community service projects are designed to provide for the public good in keeping with the overall goals of the community, such as community-wide beautification or public safety. The sponsoring organization is responsible for certifying to the Bureau that the community service project does not displace regular employees, supplant employment opportunities ordinarily available within the sponsoring organization, or impair contracts for services. These projects are not work assignments. Any inmate who chooses to participate does so voluntarily, and may not receive performance pay or any other salaried compensation for participation in the project, nor be eligible to submit a claim under the provisions of the Inmate Accident Compensation Program.
(b) An inmate may volunteer to participate in a community service project by submitting a written request for the Warden’s approval. The inmate must have custody classification appropriate for the project and be otherwise eligible for the conditions of the project. The decision of the Warden to approve or disapprove an inmate’s request shall be documented in writing.
§ 551.70 Purpose and scope.

The Bureau of Prisons cooperates with law enforcement officials and other authorized individuals in the performance of their duties by permitting them to administer polygraph tests to an inmate if the inmate consents to the testing.

§ 551.71 Procedures.

(a) The Warden may permit polygraph tests in connection with a State or Federal criminal felony investigation.

(b) The Warden may permit polygraph tests in connection with misdemeanor offenses, civil proceedings, or any other matters. This type of request, however, is generally disapproved, absent a federal court order for the test.

(c) The Warden may permit a polygraph test at the request of a defense counsel or other representative of the inmate. These requests are subject to the same standards and procedures applicable to testing by law enforcement officials.

(d) The Warden may deny any request for testing which may disrupt the security or good order of the institution.

(e) Upon written request to conduct a polygraph examination of an inmate, the Warden may approve the request if:

(1) The validity of the request and of the examining agency can be confirmed;

(2) The request complies with this section; and

(3) The inmate gives written consent to the testing.

(f) If the request is approved, the Warden shall notify the requestor that he is responsible for meeting all state and local requirements in administering the test.

(g) The Bureau of Prisons maintains a record in the inmate’s central file of the polygraph test indicating the inmate’s consent and the time and place of and the personnel involved in the testing.
