Requests should be on forms which will be supplied by the Secretary upon request. The Secretary will entertain on its merits a request by an employee organization for nomination of an arbitrator on a question of majority representation which is made within 15 days after an agency's decision with respect to a determination of majority representation. Any request by an employee organization for the nomination of an arbitrator will be considered untimely if:

1. A written request for exclusive recognition was not made prior to the grant of such recognition to another organization provided such grant was preceded by posted notice to all employees in the unit and written notice to all organizations known to represent such employees that a request for exclusive recognition was under consideration.
2. A written request for exclusive recognition was not made within 5 days after the agency posted appropriate notice of its intention to conduct an election to determine majority status, or more than 10 days before the date of the election.
3. It was made less than 12 months after an agency's final unit determination with respect to such unit or subdivision thereof in a proceeding in which the organization sought exclusive recognition but failed to file a timely request for arbitration under these rules.
4. It was made less than 12 months after a unit determination following a section 11 proceeding covering such unit or any subdivision thereof.
5. The time limits set forth in this paragraph will be applied to all requests filed on or after October 15, 1963.

No request contemplating an advisory determination as to whether an employee organization should become or continue to be recognized as the exclusive representative of employees in any unit will be entertained during the period within which a signed agreement between an agency and an employee organization is in force or awaiting approval at a higher management level, but not to exceed an agreement period of two years, unless (1) a request for redetermination is filed with the agency between the 90th and 60th day prior to the terminal date of such agreement or two years, whichever is earlier, or (2) unusual circumstances exist which will substantially affect the unit or the majority representation. When an agreement has been extended more than 60 days before its terminal date, such extension shall not serve as a basis for the denial of a request under this section submitted in accordance with the time limitations provided above.

(a) Requests for nominations shall be in triplicate and contain the following information:

1. The name of the agency and the name and address of any office or branch of the agency below the national level that may be involved;
2. A description of the unit appropriate for exclusive representation or claimed to be appropriate for such representation;
3. The number of employees in the appropriate unit or any alleged appropriate unit;

Requests should be on forms which will be supplied by the Secretary upon request.

§ 25.5 Action to be taken by the Secretary; nomination and selection.

(a) Upon receipt of a request and the responses, if any, the Secretary shall make such further inquiries as may be necessary to determine his authority under the Order and these procedures; whether a timely request for nomination has been made; whether a valid question concerning representation exists in a prima facie appropriate unit; or for the purpose of obtaining a further specification of the issues or matters to be submitted for an advisory decision or determination, or assisting or advising the persons nominated or considered for nomination or otherwise facilitating submission of the matter to such person or persons in a manner that will permit an expeditious decision or determination.
