Subpart C—Accessibility

§ 32.26 Discrimination prohibited.

No qualified handicapped individual shall, because a recipient’s facilities are inaccessible to or unusable by handicapped individuals, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity to which this part applies.

§ 32.27 Accessibility.

(a) Purpose. A recipient shall operate each program or activity to which this part applies so that when each part is viewed in its entirety it is readily accessible to qualified handicapped individuals. This paragraph does not require a recipient to make each of its existing facilities or every part of a facility accessible to and usable by qualified handicapped individuals. However, if a particular aid, benefit, service, or training is available in only one location, that site must be made accessible or the aid, benefit, service, or training must be made available at an alternative accessible site or sites. Accessibility requires nonpersonal aids to make the program or activity accessible to mobility impaired persons. Reasonable accommodations, as defined in §32.3, are required for particular handicapped individuals in response to the specific limitations of their handicaps.

(b) Scope and application. (1) For the purpose of this subpart, prime sponsors under the Comprehensive Employment and Training Act and any other individual or organization which receives a grant directly from the Department to establish or operate any program or activity shall assure that the program or activity, including those involving Public Service Employment, Work Experience, Classroom Training and On-the-Job-Training, when each part is viewed in its entirety, is readily accessible to qualified handicapped individuals.

(2) Job Corps. All agencies, grantees, or contractors which screen or recruit applicants for the Job Corps shall comply with the nondiscrimination provisions of this part. Each regional office of the Department of Labor’s Employment and Training Administration which makes the decision on the assignment of a Job Corps applicant to a particular center may, where it finds, after consultation with the qualified handicapped person seeking Job Corps services, that there is no method of complying with §32.27(a) at a particular Job Corps Center, other than by making a significant alteration in its existing facilities or in its training, assign that individual to another Job Corps Center which is accessible in accordance with this section and which is offering comparable training. The Job Corps, and each regional office of the Employment and Training Administration, shall assure that the Job Corps Program, when viewed in its entirety, is readily accessible to qualified handicapped individuals and that all future construction, including improvements to existing Centers, be made accessible to the handicapped.

(3) If a small recipient finds, after consultation with a qualified handicapped person seeking its services, that there is no method of complying with §32.27(a) other than making a significant alteration in its existing facilities
