§ 780.900  Scope and significance of interpretative bulletin.

Subpart A of this part 780 and this subpart J together constitute the official interpretative bulletin of the Department of Labor with respect to the meaning and application of section 13(b)(16) of the Fair Labor Standards Act of 1938, as amended. This section provides exemption from the overtime pay provisions of the Act for employees engaging in specified transportation activities when fruits and vegetables are harvested. As appears more fully in subpart A of this part, interpretations in this bulletin with respect to the provisions of the Act discussed are official interpretations upon which reliance may be placed and which will guide the Secretary of Labor and the Administrator in the performance of their duties under the Act. The general exemption provided in sections 13(a)(6) and 13(b)(12) of the Act for employees employed in agriculture, are not discussed in this subpart except in their relation to section 13(b)(16). The meaning and application of these exemptions are fully considered in subparts D and E, respectively, of this part 780.

§ 780.901  Statutory provisions.

Section 13(b)(16) of the Act exempts from the overtime provisions of section 7:

Any employee engaged (A) in the transportation and preparation for transportation of fruits or vegetables, whether or not performed by the farmer, from the farm to a place of first processing or first marketing within the same State, or (B) in transportation, whether or not performed by the farmer, between the farm and any point within the same State of persons employed or to be employed in the harvesting of fruits or vegetables.

§ 780.903  General scope of exemption.

The exemption provided by section 13(b)(16) is in two parts, subsection (A), which exempts employees engaged in the described transportation and preparation for transportation of fruits or vegetables, and subsection (B) which exempts employees engaged in the specified transportation of employees who harvest fruits or vegetables. The transportation and preparation for transportation of fruits and vegetables must be from the farm to a place of first processing or first marketing located in the same State where the farm is located; the transportation of harvesters must be between the farm and a place located in the same State as the farm.
