§ 1690.305 Nondisclosure of proposed issuances.

(a) In the interest of encouraging full interagency discussion of these matters and expediting the coordination process, the EEOC will not discuss the proposed issuances of other agencies at an open Commission meeting where disclosure of information would be likely to significantly frustrate implementation of a proposed agency action. The Commission will make this determination on a case by case basis.

(b) Requests by the public for drafts of proposed issuances of another agency will be coordinated, in appropriate circumstances, with that agency and the person submitting the request shall be so notified. The decision made by that agency with respect to such proposed issuances will be honored by the Commission.

§ 1690.306 Formal submission in absence of consultation.

If an initiating agency has an issuance which was already under development on or before July 1, 1978, when Executive Order 12067 became effective, and on which there has been no consultation, the agency shall immediately notify the EEOC of the existence of such proposals and the following procedure shall apply:

(a) EEOC shall confer with the initiating agency and shall determine whether the proposal should be the subject of informal consultation and/or formal submission to other affected Federal agencies pursuant to section 1–304 of the Order. This does not preclude the right of the agency to consult with any other agency it wishes.

(b) If the EEOC decides that informal consultation and/or formal submission is necessary, it shall confer with the proposing agency and agree on a mutually acceptable length of time for one or both (the informal consultation and/or formal submission).

(c) The period of formal submission shall be sufficient to allow all affected agencies time in which to properly review the proposal. While such period may be longer, in no instance may it be shorter than 15 working days.

§ 1690.307 Temporary waivers.

(a) In the event that the proposed issuance is of great length or complexity, the EEOC may, at its discretion, grant a temporary waiver of the requirements contained in §1690.303 or §1690.304. Such waivers may be granted if:

(1) The period of consultation and thorough review required for these documents would be so long as to disrupt normal agency operations; or

(2) The initiating agency is issuing a document to meet an immediate statutory deadline; or

(3) The initiating agency presents other compelling reasons why interim issuance is essential.

(b) In the event of a waiver, the initiating agency shall clearly indicate that the issuance is interim, has been published pursuant to a waiver, and is subject to review. EEOC reserves the right, after publication, to review the document in light of the objectives of the Order. The initiating agency may make substantive conforming changes in light of comments by EEOC and other affected agencies.

§ 1690.308 Notice of unresolved disputes.

(a) The disputes resolution mechanism in section 1–307 of the Executive Order should be used only in extraordinary circumstances, and only when further good faith efforts on the part of the EEOC and the agency involved would be ineffective in achieving a resolution of the dispute. Before using the disputes resolution mechanism, the EEOC or the initiating agency must have fully participated in the coordination process, including giving notification to the EEOC and the affected agencies of its intention to publish in final within 15 working days.

(b) EEOC or the affected agency shall then send written notification of the dispute and the reasons for it to the EEOC and to the other affected agencies. Thereafter, but within the 15 day notice period, the EEOC or the affected agency may refer the dispute to the Executive Office of the President. Such reference may be made by the Chair of the EEOC or the head of the Federal agency. If no reference is made within 15 working days, the decision of the agency which initiated the proposed issuance will become effective.

§ 1690.309 Interpretation of the Order.
Subject to the dispute resolution procedures set forth above and in accordance with the objectives set forth in 1–201 and the procedures in 1–303 of the Order, the EEOC shall interpret the meaning and intent of the Order. EEOC also will issue procedural changes under the Order, as appropriate, after advice and consultation with affected agencies as provided for in these procedures.

§ 1691.1 Purpose and application.
The purpose of this regulation is to implement procedures for processing and resolving complaints of employment discrimination filed against recipients of Federal financial assistance subject to title VI of the Civil Rights Act of 1964, title IX of the Education Amendments of 1972, the State and Local Fiscal Assistance Act of 1972, as amended, and provisions similar to title VI and title IX in Federal grant statutes. Enforcement of such provisions in Federal grant statutes is covered by this regulation to the extent they relate to prohibiting employment discrimination on the ground of race, color, national origin, religion or sex in programs receiving Federal financial assistance of the type subject to title VI or title IX. This regulation does not, however, apply to the Omnibus Crime Control and Safe Streets Act of 1968, as amended, the Juvenile Justice and Delinquency Prevention Act, as amended, the Comprehensive Employment Training Act of 1973, as amended, or Executive Order 11246.

§ 1691.2 Exchange of information.
EEOC and agencies shall share any information relating to the employment policies and practices of recipients of Federal financial assistance that may assist each office in carrying out its responsibilities. Such information shall include, but not necessarily be limited to, affirmative action programs, annual employment reports, complaints, investigative files, conciliation or compliance agreements, and compliance review reports and files.

§ 1691.3 Confidentiality.
When an agency receives information obtained by EEOC, the agency shall observe the confidentiality requirements.
