and equipment which are approved for use by agencies when needed. Examples of such services are: Workplace inspections, training, industrial hygiene surveys, asbestos bulk sampling, and mobile health testing; examples of such equipment are: personal protective equipment and apparel, safety devices, and environmental monitoring equipment;

(2) Rules for assistance in the preparation of agency “Occupant Emergency Plans” (formerly called “Facility Self-Protection Plans”), to be published by GSA at 41 CFR part 101;

(3) An effective maintenance program in the Interagency Motorpool System which will ensure the safety and health of Federal employees utilizing the vehicles. Critical items to be included are: Exhaust systems, brakes, tires, lights, steering, and passenger restraint or other crash protection systems; and

(4) A rapid response system whereby agencies can alert GSA to unsafe or unhealthful items purchased or contracted for by GSA, which in turn will evaluate the reports, initiate corrective action, as appropriate, and advise use agencies of interim protective measures.

§ 1960.35 National Institute for Occupational Safety and Health.

(a) The Director of the National Institute for Occupational Safety and Health (NIOSH) shall, upon request by the Secretary, assist in:

(1) Evaluations of Federal agency safety and health programs;

(2) Investigations of possible safety and health hazards and

(3) Inspections resulting from employee or committee reports of unsafe or unhealthful working conditions.

(b) The Director of NIOSH shall provide a Hazard Evaluation (HE) program for Federal agencies. This program shall be designed to respond to requests for assistance in determining whether or not safety or health hazards are present in a Federal workplace. Requests for such Hazard Evaluations may be submitted to the Director by:

(1) The Secretary of Labor;

(2) The Head of a Federal agency;

(3) An agency safety and health committee if half the committee requests such service; and

(4) Employees who are not covered by a certified safety and health committee.

(c) The Director of NIOSH may assist agencies by providing hazard alerts, technical services, training materials and conducting training programs upon request by an agency and with reimbursement.

Subpart F—Occupational Safety and Health Committees

§ 1960.36 General provisions.

(a) The occupational safety and health committees described in this subpart are organized and maintained basically to monitor and assist an agency’s safety and health program. These committees assist agencies to maintain an open channel of communication between employees and management concerning safety and health matters in agency workplaces. The committees provide a method by which employees can utilize their knowledge of workplace operations to assist agency management to improve policies, conditions, and practices.

(b) Agencies may elect to establish safety and health committees meeting the minimum requirements contained in this subpart. Where such committees are not established or fail to meet the minimum requirements established by the Secretary, the Secretary is authorized by section 1–401(i) of Executive Order 12196 to conduct unannounced inspections of agency workplaces when the Secretary determines them necessary.

§ 1960.37 Committee organization.

(a) For agencies which elect to utilize the committee concept, safety and health committees shall be formed at both the national level and, for agencies with field or regional offices, at appropriate levels within the agency. To realize exemption from unannounced OSHA inspections, an agency must form a committee at the national level and at any establishment or grouping of establishments that is to be exempt, keeping the Secretary advised of the locations and activities
§ 1960.38 Committee formation.

(a) Upon forming such committees, heads of agencies shall submit information to the Secretary concerning the existence, location, and coverage, in terms of establishments and population, of such committees, certifying to the Secretary that such committees meet the requirements of this subpart. The information submitted should include the name and telephone numbers of the chairperson of each committee, and should be updated annually as part of the annual report to the Secretary.

(b) Committees shall have equal representation of management and non-management employees, who shall be members of record.

(1) Management members of both national level and establishment level committees shall be appointed in writing by the person empowered to make such appointments.

(2) Nonmanagement members of establishment level committees shall represent all employees of the establishment and shall be determined according to the following rules:
   (i) Where employees are represented under collective bargaining arrangements, members shall be appointed from among those recommended by the exclusive bargaining representative;
   (ii) Where employees are not represented under collective bargaining arrangements, members shall be determined through procedures devised by the agency which provide for effective representation of all employees;
   (iii) Where some employees of an establishment are covered under collective bargaining arrangements and others are not, members shall be representative of both groups.

(3) Nonmanagement members of national level committees shall be determined according to the following rules:
   (i) Where employees are represented by organizations having exclusive recognition on an agency basis or by organizations having national consultation rights, some members shall be determined in accordance with the terms of collective bargaining agreements and some members shall be selected from those organizations having consultation rights, and
   (ii) Where employees are not represented by organizations meeting the criteria of paragraph (b)(3)(i) of this section, members shall be determined through procedures devised by the agency which provide for effective representation of all employees.

(c) Committee members should serve overlapping terms. Such terms should be of at least two years duration, except when the committee is initially organized.

(d) The committee chairperson shall be nominated from among the committee’s members and shall be elected by the committee members. Management and nonmanagement members should alternate in this position. Maximum service time as chairperson should be two consecutive years.

(e) Committees shall establish a regular schedule of meetings and special meetings shall be held as necessary; establishment level committees shall meet at least quarterly and national committees shall meet at least annually.

(f) Adequate advance notice of committee meetings shall be furnished to employees and each meeting shall be conducted pursuant to a prepared agenda.

(g) Written minutes of each committee meeting shall be maintained and distributed to each committee member, and upon request, shall be made available to employees and to the Secretary.
