§ 2701.4 Request to open or close meeting.

Any person may request that the Commission open a meeting that it has earlier decided to close. Any person whose interest may be directly affected by the opening of a meeting may request that the meeting be closed. Two copies of a request shall be filed in writing with the Executive Director of the Commission at the earliest practicable time, and no later than one hour before the meeting. A request to close shall state the interest of the person that may be adversely affected. The Commission shall take a recorded vote on the request if one member desires that it do so. The Executive Director shall inform the requesting person of whether a vote was taken, and, if so, its outcome. Requests shall be addressed as follows: Sunshine Act Request, Office of the Executive Director, Federal Mine Safety and Health Review Commission, 1331 Pennsylvania Avenue NW., Suite 520N, Washington, DC 20004–1710.

§ 2701.5 Petition for review.

Any person may petition the Commission to review any action he alleges to be in violation of this part or 5 U.S.C. 552b that was taken by any employee or member of the Commission. The petition shall be in writing and shall be filed with the Executive Director within 30 days of the alleged violation. The Commission shall consider and rule upon the petition with expedition.

§ 2701.6 Discussion during open meetings.

Deliberations, discussions, comments, statements, or observations made during the course of an open meeting do not constitute actions of the Commission, nor do they necessarily represent the basis for any Commission action. Comments made by a Commissioner or an employee of the Commission may be advanced for purposes of discussion or argument, or as an aside, and may not reflect the views or ultimate position of that Commissioner or employee. Reasons for decisions stated by a Commissioner at an open meeting may be later changed by that Commissioner, as may a Commissioner’s vote. For these reasons, persons who choose to act on the basis of discussions at open meetings do so entirely at their own risk and without any assurance that the Commission’s final decisions will be reflective of the discussions or initial vote.

§ 2701.7 Expedited closing procedure.

(a) Policy. Although it is the general policy of the Commission to open to the public meetings that may be subject to closure, including meetings concerning adjudication of cases, the Commission may find it necessary in the public interest to close meetings. The purpose of this section is to provide an expedited closing procedure under 5 U.S.C. 552b(d)(4). The Commission has determined that, inasmuch as the Commission’s responsibilities are almost entirely adjudicatory, a majority of its meetings may properly be closed under 5 U.S.C. 552b(c)(10). Although the Commission has to date held few meetings, those that have been held concerned the adjudication of cases and could properly have been closed.

(b) Procedure. A meeting may be closed if a majority of either the members of the Commission or of a panel of three or more Commissioners votes by recorded vote at the beginning of such a meeting to close it to the public. The record of the vote shall reflect the vote of each voting member and shall be made available to the public. A public announcement of the time, place, and subject matter of the meeting shall be made at the earliest practicable time, except to the extent that such information is exempt from disclosure under 5 U.S.C. 552b(c). Section 2701.3 does not apply to meetings closed under this section.
