§ 250.195 What notification does BSEE require on the production status of wells?
You must notify the appropriate BSEE District Manager when you successfully complete or recompleat a well for production. You must:
(a) Notify the District Manager within 5 working days of placing the well in a production status. You must confirm oral notification by telefax or e-mail within those 5 working days.
(b) Provide the following information in your notification:
   (1) Lessee or operator name;
   (2) Well number, lease number, and OCS area and block designations; (3) Date you placed the well on production (indicate whether or not this is first production on the lease);
   (4) Type of production; and
   (5) Measured depth of the production interval.

§ 250.196 Reimbursements for reproduction and processing costs.
(a) BSEE will reimburse you for costs of reproducing data and information that the Regional Director requests if:
   (1) You deliver geophysical and geological (G&G) data and information to BSEE for the Regional Director to inspect or select and retain;
   (2) BSEE receives your request for reimbursement and the Regional Director determines that the requested reimbursement is proper; and
   (3) The cost is at your lowest rate or at the lowest commercial rate established in the area, whichever is less.
(b) BSEE will reimburse you for the costs of processing geophysical information (that does not include cost of data acquisition):
   (1) If, at the request of the Regional Director, you processed the geophysical data or information in a form or manner other than that used in the normal conduct of business; or
   (2) If you collected the information under a permit that BSEE issued to you before October 1, 1985, and the Regional Director requests and retains the information.
(c) When you request reimbursement, you must identify reproduction and processing costs separately from acquisition costs.
(d) BSEE will not reimburse you for data acquisition costs or for the costs of analyzing or processing geological information or interpreting geological or geophysical information.

§ 250.197 Data and information to be made available to the public or for limited inspection.
BSEE will protect data and information that you submit under this part, and 30 CFR part 203, as described in this section. Paragraphs (a) and (b) of this section describe what data and information will be made available to the public without the consent of the lessee, under what circumstances, and in what time period. Paragraph (c) of this
