

(2) S. D. Comp. Laws Ann. Chap. 45-6C, except with respect to the requirements to consult with the owner of surface lands to be explored and the right of the owner to establish reasonable restrictions on exploration travel (section 16), the requirement to post an exploration reclamation bond (section 19), the prohibition of explosives use in exploration within one-half mile of a flowing water well or a domestic water well without the owner's permission (section 27), and the requirement to cap, plug, and seal all exploration test holes (section 28).

(g) The Secretary may grant a limited variance from the performance standards of §§ 941.815 through 941.828 of this part if the applicant for coal exploration approval or a surface mining permit submitted pursuant to §§ 941.772 through 941.785 demonstrates in the application that:

(1) Such variance is necessary because of the unique nature of South Dakota's terrain, climate, biological, chemical, or other relevant physical conditions; and

(2) The proposed alternative will achieve equal or greater environmental protection than does the performance requirement from which the variance is requested.
