§ 2.2 Access to classified information by historical researchers, former Treasury Presidential and Vice Presidential appointees, and former Presidents and Vice Presidents.

(a) Access to classified information may be granted only to individuals who have a need-to-know the information. This requirement may be waived, however, for individuals who:

(1) Are engaged in historical research projects;

(2) Previously occupied a position in the Treasury to which they were appointed by the President under 3 U.S.C. 105(a)(2)(A), or the Vice President under 3 U.S.C. 106(a)(1)(A); or

(3) Served as President or Vice President.

(b) Access to classified information may be granted to individuals described in paragraph (a) of this section upon:

(i) Treasury may charge fees for search, review, and duplicating costs in connection with a mandatory declassification review request.

(A) The fee for services of Treasury personnel involved in locating and/or reviewing records will be charged at the rate of a GS–11, Step 1 employee, in the Washington-Baltimore Federal pay area, in effect when the mandatory declassification review request is received by the Office of Security Programs for searches that take more than two hours or for review times that are greater than two hours. Fees may be waived, in writing, by a bureau head or the equivalent Treasury official at the Assistant Secretary level.

(B) There is no fee for duplicating the first 100 pages of fully or partially releasable documents. The cost of additional pages is 20 cents per page. No charges shall be levied for search and/or review time requiring less than 2 hours.

(ii) If it is estimated that the fees associated with a mandatory declassification review will exceed $100, the Office of Security Programs will notify the requester in writing of the estimated costs and shall obtain satisfactory written assurance of full payment or require the requester to make an advance payment of the entire estimated fee before proceeding to process the request. Treasury may request pre-payment where the fee is likely to exceed $500. After 60 calendar days without receiving the requester’s written assurance of full payment or agreement to make pre-payment of estimated fees (or to amend the mandatory declassification review request in a manner as to result in fees acceptable to the requester), Treasury may administratively terminate the mandatory declassification review request. Failure of a requester to pay fees after billing will result in future requests not being honored. Nothing in this paragraph will preclude Treasury from taking any other lawful action to recover payment for costs incurred in processing a mandatory declassification review request.

(iii) Payment of fees shall be made by check or money order to the Treasurer of the United States. Fees charged by Treasury for mandatory declassification review are separate and distinct from any other fees that may be imposed by a Presidential Library, the National Archives and Records Administration, or another Federal department or agency.

§ 2.2 Access to classified information by historical researchers, former Treasury Presidential and Vice Presidential appointees, and former Presidents and Vice Presidents.
(1) A written determination by Treasury’s Senior Agency Official, under Section 5.4(d) of Executive Order 13292, that access is consistent with the interest of the national security; and

(2) Receipt of the individual’s written agreement to safeguard classified information, including taking all appropriate steps to protect classified information from unauthorized disclosure or compromise. This written agreement must also include the individual’s consent to have any and all notes (including those prepared or stored in electronic media, whether written or oral) reviewed by authorized Treasury personnel to ensure that no classified information is contained therein and, if so, that the classified information is not published.

(c)(1)(A) A historical researcher is not authorized to have access to foreign government information or information classified by another Federal department or agency.

(B) A former Treasury Presidential or Vice Presidential appointee is only authorized access to classified information that the former official originated, reviewed, signed or received while serving as such an appointee.

(C) A former President or Vice President is only authorized access to classified information that was prepared by Treasury while that individual was serving as President or Vice President.

(ii) Granting access to classified information pursuant to this section does not constitute the granting of a security clearance for access to classified information.

(d) Treasury personnel will coordinate access to classified information by individuals described in paragraph (a) of this section with the Director, Office of Security Programs, who will ensure that the written agreement described in paragraph (b)(2) of this section is signed as a condition of being granted access to classified information.

(e) Any review of classified information by an individual described in paragraph (a) of this section shall take place in a location designated by the Director, Office of Security Programs. Such persons must be accompanied at all times by appropriately authorized Treasury personnel authorized to have access to the classified information being reviewed. All notes (including those prepared or stored in electronic media, whether written or oral) made by an individual described in paragraph (a) of this section shall remain in the custody of the Office of Security Programs pending a determination by appropriately cleared subject matter experts that no classified information is contained therein.

(f) An individual described in paragraph (a) of this section is subject to search, as are all packages or carrying cases prior to entering or leaving Treasury. Access to Treasury-originated classified information at another Federal department or agency, as may be authorized by the Director, Office of Security Programs shall be governed by security protocols in effect at the other Federal department or agency.

(g) Treasury personnel must perform a physical verification and an accounting of all classified information each time such information is viewed by an individual described in paragraph (a) of this section. Physical verification and an accounting of all classified information shall be made both prior to and after viewing. Any discrepancy must be immediately reported to the Director, Office of Security Programs.

(h) An individual described in paragraph (a) of this section may be charged reasonable fees for services rendered by Treasury in connection with the review of classified information under this section. To the extent such services involve searching, reviewing, and copying material, the provisions of §2.1(b)(8) shall apply.
