(b) Perquisite disclosure—(1) General rule. TARP recipients must annually disclose during the TARP period any perquisite whose total value for the TARP recipient’s fiscal year exceeds $25,000 for each of the SEOs and most highly compensated employees that are subject to paragraph (a) of §30.10 (Q–10). TARP recipients must provide a narrative description of the amount and nature of these perquisites, the recipient of these perquisites, and a justification for offering these perquisites (including a justification for offering the perquisite, and not only for offering the perquisite with a value that exceeds $25,000). Such disclosure must be provided within 120 days of the completion of a fiscal year any part of which is a TARP period.

(2) Location. A TARP recipient must provide this disclosure to Treasury and to its primary regulatory agency.

(c) Compensation consultant disclosure—(1) General rule. The compensation committee of the TARP recipient must provide annually a narrative description of whether the TARP recipient, the board of directors of the TARP recipient, or the compensation committee has engaged a compensation consultant; and all types of services, including non-compensation related services, the compensation consultant or any of its affiliates has provided to the TARP recipient, the board, or the compensation committee during the past three years, including any “benchmarking” or comparisons employed to identify certain percentile levels of compensation (for example, entities used for benchmarking and a justification for using these entities and the lowest percentile level proposed for compensation). Such disclosure must be provided within 120 days of the completion of a fiscal year any part of which is a TARP period.

(2) Application to TARP recipients not required to establish and maintain compensation committees under §30.4(c) (Q–4), the board of directors must provide the disclosure under §30.4(c)(1).

(3) Location. A TARP recipient must provide this disclosure to Treasury and to its primary regulatory agency.

(d) Prohibition on gross-ups. Except as explicitly permitted under this part, TARP recipients are prohibited from providing (formally or informally) gross-ups to any of the SEOs and next twenty most highly compensated employees during the TARP period. For this purpose, providing a gross-up includes providing a right to a payment of such a gross-up at a future date, for example a date after the TARP period.

§30.12 Q–12: What actions are necessary for a TARP recipient to comply with section 111(d) of EESA (the excessive or luxury expenditures policy requirement)?

To comply with section 111(d) of EESA, by the later of ninety days after the closing date of the agreement between the TARP recipient and Treasury or September 14, 2009, the board of directors of the TARP recipient must adopt an excessive or luxury expenditures policy, provide this policy to Treasury and its primary regulatory agency, and post the text of this policy on its Internet Web site, if the TARP recipient maintains a company Web site. After adoption of the policy, the TARP recipient must maintain the policy during the remaining TARP period (if the TARP recipient has an obligation), or through the last day of the TARP recipient’s fiscal year including the sunset date (if the TARP recipient has never had an obligation). If, after adopting an excessive or luxury expenditures policy, the board of directors of the TARP recipient makes any material amendments to this policy, the board of directors must provide the amended policy to Treasury and its primary regulatory agency and post the amended policy on its Internet Web site, if the TARP recipient maintains a company Web site. § 30.13 Q–13: What actions are necessary for a TARP recipient to comply with section 111(e) of EESA (the shareholder resolution on executive compensation requirement)?

As provided in section 111(e) of EESA, any proxy or consent or authorization for an annual or other meeting of the shareholders of any TARP recipient that occurs during the TARP period must permit a separate shareholder vote to approve the compensation of executives, as required to be disclosed pursuant to the Federal securities laws (including the compensation discussion and analysis, the compensation tables, and any related material). To meet this standard, a TARP recipient must comply with any rules, regulations, or guidance promulgated by the SEC that are applicable to the TARP recipient.

§ 30.14 Q–14: How does section 111 of EESA operate in connection with an acquisition, merger, or reorganization?

(a) Special rules for acquisitions, mergers, or reorganizations. In the event that a TARP recipient (target) is acquired by an entity that is not an affiliate of the target (acquirer) in an acquisition of any form, including a purchase of substantially all of the assets of the target, such that the acquirer after the transaction would have been treated as a TARP recipient if the target had received the TARP funds immediately after the transaction, acquirer will not become subject to section 111 of EESA merely as a result of the acquisition. If the acquirer is not subject to section 111 of EESA immediately after the transaction, any employees of the acquirer immediately after the transaction (including target employees who were SEOs or most highly compensated employees immediately prior to the transaction and became acquirer employees as a result of the transaction) will not be subject to section 111 of EESA.

(b) Anti-abuse rule. Notwithstanding the provisions of paragraph (a) of this section, if the primary purpose of a transaction involving the acquisition, in any form, of a TARP recipient is to avoid or evade the application of any of the requirements of section 111 of EESA, the acquirer will be treated as a TARP recipient immediately upon such acquisition. In such a case, the SEOs and the most highly compensated employees to whom any of the requirements of section 111 of EESA and this Interim Final Rule apply shall be reetermined as of the date of the acquisition. The redetermined SEOs and most highly compensated employees of the post-acquisition acquirer shall consist of the PEO and PFO of the post-acquisition acquirer, plus the applicable number of next most highly compensated employees determined by aggregating the post-acquisition employees of the acquirer (to include the pre-acquisition employees of the target employed by the acquirer, or anticipated to be employed by the acquirer), and ranking such employees in order of compensation for the immediately preceding fiscal year of the pre-acquisition target or pre-acquisition acquirer, as appropriate. In the case of an asset acquisition, the entity or entities to whom the target’s assets are transferred shall be treated as the direct recipient of the financial assistance for purposes of determining which other related entities are treated, in the aggregate, as the TARP recipient under the definition of “TARP recipient” in § 30.1 (Q–1).

§ 30.15 Q–15: What actions are necessary for a TARP recipient to comply with certification requirements of section 111(b)(4) of EESA?

(a) Certification Requirements—(1) General. To comply with section 111(b)(4) of EESA, the PEO and the PFO of the TARP recipient must provide the following certifications with respect to the compliance of the TARP recipient with section 111 of EESA as implemented under this part:

(2) First Fiscal Year Certification. (i) Within ninety days of the completion of the first annual fiscal year of the TARP recipient any portion of which is a TARP period, the PEO and the PFO of the TARP recipient must provide
