§ 30.5

and employee compensation plans required under paragraphs (a)(1), (2), and (3) of this section.

(b) Exclusion of TARP recipients with no employees or no affected employees. For any period during which a TARP recipient has no employees, or has no SEO or compensation plan subject to the review process, the TARP recipient is not subject to the requirements of paragraph (a) of this section.

(c) Application to private TARP recipients. The rules provided in paragraph (a) of this section are also applicable to TARP recipients that do not have securities registered with the SEC pursuant to the Federal securities laws. A TARP recipient that does not have securities registered with the SEC pursuant to the Federal securities laws and has received $25,000,000 or less in financial assistance is subject to paragraph (a) of this section, except that, in lieu of establishing and maintaining a compensation committee, such a TARP recipient is permitted to ensure that all the members of the board of directors carry out the duties of the compensation committee as described in paragraph (a) of this section. However, such a TARP recipient will be required to establish and maintain a compensation committee satisfying the requirements of paragraph (a) of this section for the first fiscal year following a fiscal year during which the TARP recipient either registers securities with the SEC pursuant to the Federal securities laws or has received more than $25,000,000 in financial assistance, and during subsequent years of the TARP period.

(d) Application to TARP recipients that have never had an outstanding obligation. For TARP recipients that have never had an outstanding obligation, only paragraphs (a)(2), (a)(4), (a)(5) (but for the narrative and certification requirements of (a)(4) and (a)(5), applied only to the requirements of paragraph (a)(2)), (b) and (c) of this §30.4 (Q–4) shall apply.

§ 30.5 Q–5: How does a TARP recipient comply with the requirements under §30.4 (Q–4) of this part that the compensation committee discuss, evaluate, and review the SEO compensation plans and employee compensation plans to ensure that the SEO compensation plans do not encourage the SEOs to take unnecessary and excessive risks that threaten the value of the TARP recipient, or that the employee compensation plans do not pose unnecessary risks to the TARP recipient?

At least every six months, the compensation committee must discuss, evaluate, and review with the TARP recipient’s senior risk officers any risks (including long-term as well as short-term risks) that the TARP recipient faces that could threaten the value of the TARP recipient. The compensation committee must identify the features in the TARP recipient’s SEO compensation plans that could lead SEOs to take these risks and the features in the employee compensation plans that pose risks to the TARP recipient, including any features in the SEO compensation plans and the employee compensation plans that would encourage behavior focused on short-term results and not on long-term value creation. The compensation committee is required to limit these features to ensure that the SEOs are not encouraged to take risks that are unnecessary or excessive and that the TARP recipient is not unnecessarily exposed to risks.

§ 30.6 Q–6: How does a TARP recipient comply with the requirement under §30.4 (Q–4) of this part that the compensation committee discuss, evaluate, and review the employee compensation plans to ensure that these plans do not encourage the manipulation of reported earnings of the TARP recipient to enhance the compensation of any of the TARP recipient’s employees?

The compensation committee must discuss, evaluate, and review at least every six months the terms of each employee compensation plan and identify and eliminate the features in these plans that could encourage the manipulation of reported earnings of the TARP recipient to enhance the compensation of any employee.
