§ 315.85 Reissue in name of trustee or agent for reinvestment purposes.

A bond registered in the name of a religious, educational, charitable or nonprofit organization, whether or not incorporated, may be reissued in the name of a financial institution, or an individual, as trustee or agent. There must be an agreement between the organization and the trustee or agent holding funds of the organization, in whole or in part, for the purpose of investing and reinvesting the principal and paying the income to the organization. Reissue should be requested on behalf of the organization by an authorized officer using the appropriate form.

§ 315.86 Reissue upon termination of investment agency.

A bond registered in the name of a financial institution, or individual, as agent for investment purposes only, under an agreement with a religious, an educational, a charitable, or a nonprofit organization, may be reissued in the name of the organization upon termination of the agency. The former agent should request such reissue and should certify that the organization is entitled by reason of the termination of the agency. If such request and certification are not obtainable, the bond will be reissued in the name of the organization upon its own request, supported by satisfactory evidence of the termination of the agency. The appropriate form should be used.

§ 315.87 Payment to governmental agencies, units, or their officers.

(a) Agencies and units. A bond registered in the name of a State, county, city, town, village, or in the name of a Federal, State, or local governmental agency, such as a board, commission, or corporation, will be paid upon a request signed in the name of the governmental agency or unit by an authorized officer. A request for payment so signed and certified will ordinarily be accepted without further proof of the officer’s authority.

(b) Officers. A bond registered in the official title of an officer of a governmental agency or unit will be paid upon a request for payment signed by the officer. The request for payment so signed and certified will ordinarily be accepted as proof that the person signing is the incumbent of the office.

1The $100,000 denomination was available only for purchase by trustees of employee savings and savings and vacation plans (see paragraph (b) of § 316.5).

(c) Inscription and issue. At the time of issue, the issuing agent:

(1) Inscribed on the face of each bond the name, social security number and address of the owner, and the name of the beneficiary, if any, or the name, social security number and address of the first-named coowner and the name of the other coowner (the inscription of the social security number was required for bonds issued on or after January 1, 1974);

(2) Entered the issue date in the upper right-hand portion of the bond; and

(3) Imprinted the agent’s validation indicia in the lower right-hand portion to show the date the bond was actually inscribed. A bond was valid only if an authorized issuing agent received payment therefor and duly inscribed, dated and imprinted validation indicia on the bond.

(d) Term. A Series E bond was dated as of the first day of the month in which payment of the purchase price was received by an agent authorized to issue the bonds. This date is the issue date. The bonds mature as shown in § 316.8. The bond may not be called for redemption by the Secretary of the Treasury prior to maturity or the end of any extended maturity period (see paragraph (a) of § 316.8). The bond may be redeemed at the owner’s option at any time at fixed redemption values.

(e) Investment yield (interest). The investment yield (interest) on Series E bonds is defined in paragraphs (c) and (d) of §316.8. Beginning in the third month from its issue date, a bond increased in redemption value on the first day of each month, up to and including the thirtieth month from issue date, so as to provide for such period an investment yield of no less than 4 percent per annum, compounded semiannually. Thereafter, its redemption value increases at the beginning of each successive half-year period. The interest is paid as part of the redemption value.
