§ 357.27 Reinvestment.

(a) General. Upon the request of an owner, the redemption proceeds of a security may be reinvested at maturity in a new security in the same form of registration, provided a new security is then being offered by the Department and provision for reinvestment is made in the offering. The new security must be in an authorized denominational amount and will be issued in accordance with the terms of the offering. If the new security is issued at a premium or with accrued interest, an additional payment will be required from the investor. If the new security is issued at a discount, the difference will be remitted to the owner.

(b) Treasury bills. A request by an owner for a single or successive reinvestment of a Treasury bill must be made in accordance with the terms prescribed on the tender form submitted at the time of purchase of the original bill, or by a subsequent transaction request received not less than ten (10) business days prior to the maturity date of the bill. A request to revoke a direction to reinvest the proceeds of a security...
