§ 542.413 Facilitation; change of policies and procedures; referral of business opportunities offshore.

With respect to § 542.210, a prohibited facilitation or approval of a transaction by a foreign person occurs, among other instances, when a United States person:

(a) Alters its operating policies or procedures, or those of a foreign affiliate, to permit a foreign affiliate to accept or perform a specific contract, engagement or transaction involving Syria or the Government of Syria without the approval of the United States person, where such transaction previously required approval by the United States person and such transaction by the foreign affiliate would be prohibited by this part if performed directly by a United States person or from the United States;

(b) Refers to a foreign person purchase orders, requests for bids, or similar business opportunities involving Syria or the Government of Syria to which the United States person could not directly respond as a result of the prohibitions contained in this part; or

Subpart E—Licenses, Authorizations, and Statements of Licensing Policy

§ 542.501 General and specific licensing procedures.

For provisions relating to licensing procedures, see part 501, subpart E of this chapter. Licensing actions taken pursuant to part 501 of this chapter with respect to the prohibitions contained in this part are considered actions taken pursuant to this part. General licenses and statements of licensing policy relating to this part also may be available through the Syria sanctions page on OFAC’s Web site www.treasury.gov/ofac.

§ 542.502 Effect of license or authorization.

(a) No license or other authorization contained in this part, or otherwise issued by OFAC, authorizes or validates any transaction effected prior to the issuance of such license or other authorization, unless specifically provided in such license or authorization.

(b) No regulation, ruling, instruction, or license authorizes any transaction prohibited under this part unless the regulation, ruling, instruction, or license is issued by OFAC and specifically refers to this part. No regulation, ruling, instruction, or license referring to this part shall be deemed to authorize any transaction prohibited by any other part of this chapter unless the regulation, ruling, instruction, or license specifically refers to such part.

(c) Any regulation, ruling, instruction, or license authorizing any transaction otherwise prohibited under this part has the effect of removing a prohibition contained in this part from the transaction, but only to the extent specifically stated by its terms. Unless the regulation, ruling, instruction, or license otherwise specifies, such an authorization does not create any right, duty, obligation, claim, or interest in, or with respect to, any property which would not otherwise exist under ordinary principles of law.

(d) Nothing contained in this part shall be construed to supersede the requirements established under any other provision of law or to relieve a person from any requirement to obtain a license or other authorization from another department or agency of the U.S. Government in compliance with applicable laws and regulations subject to the jurisdiction of that department or agency. For example, exports of goods, services, or technical data which are not prohibited by this part or which do not require a license by OFAC, nevertheless may require authorization by the U.S. Department of Commerce, the U.S. Department of State, or other agencies of the U.S. Government. See also §542.701(f).

(e) No license or other authorization contained in or issued pursuant to this part authorizes transfers of or payments from blocked property or debits to blocked accounts unless the license
