Components and the private sector organizations are the primary considerations in initiating assignments; not the desires or personal needs of an individual employee.

§ 241.2 Definitions.

In this part:
Detail means the assignment of a DoD employee to a private sector organization without a change of position; or the assignment of a private sector employee to a DoD Component without a change of position.

DoD employee means a Federal civilian employee of the DoD.

Exceptional employee means performance meets or exceeds all standards established at the fully successful level or above and makes significant contributions towards achieving the organizational goals. Participating organizations should target highly motivated, disciplined employees.

Information technology (IT) as defined means use of computers, ancillary equipment (including imaging peripherals, input, output, and storage devices necessary for security and surveillance), peripheral equipment designed to be controlled by the central processing unit of a computer, software, firmware and similar procedures, services (including support services), and related resources. IT includes the planning, organizing, staffing, directing, integrating, or controlling of information technology, including occupational specialty areas such as systems administration, IT project management, network services, operating systems, software application, cybersecurity, enterprise architecture, policy and planning, internet/web services, customer support, data management and systems analysis.

Private sector organization means nonpublic or commercial individuals and businesses, nonprofit organizations, academia, scholastic institutions, and nongovernmental organizations.

Small business concern means a business concern that satisfies the definitions and standards by the Administrator of the Small Business Administration (SBA) as defined by 5 U.S.C. 3703(e)(2)(A).

§ 241.3 Assignment authority.

The Secretary of Defense may with the agreement, of the private sector organization concerned, arrange for the temporary assignment of a DoD employee to a private sector organization or accept a private sector employee from a private sector organization to a DoD Component.

§ 241.4 Eligibility.

(a) To be eligible for an ITEP detail, a DoD or private sector employee must:
(1) Work in the field of IT;
(2) Be equivalent at the GS–11 level or above
(3) Be considered an exceptional employee, meet or exceed successful performance levels and makes significant contributions towards achieving organizational goals;
(4) Be expected to assume increased IT responsibilities in the future;
(5) Be currently employed by an organization interested in participating in the ITEP pilot; and
(6) Obtain supervisor and company approval before an employee can participate in an ITEP detail.

(b) In addition to meeting the requirements of paragraph (a) of this section, the DoD employee must be serving under a career or career-conditional appointment or an appointment of equivalent tenure in the excepted service.

(c) The private sector employee must meet citizenship requirements for Federal employment in accordance with 5 CFR 7.3 and 338.101, as well as any other statutory requirements. When a position requires a security clearance, the person must possess, or be able to obtain an appropriate security clearance.

(d) Proposed assignment meets applicable requirements of section 209(b) of the E-Government Act of 2002.

§ 241.5 Written agreements.

(a) Before a detail begins, the DoD Component authorized approving official, private sector organization authorized approving official and the employee to be assigned to the ITEP detail must sign a three-party agreement. Prior to the agreement being signed the relevant legal office for the
