(ii) A conviction, nonjudicial punishment, or a military or civilian administrative action resulting in the suspension or revocation of driver’s license for intoxicated driving. Appropriate official documentation of such conviction is required as the basis for revocation.

(4) When temporary suspensions under paragraph (a)(3) of this section are followed by revocations, the period of revocation is computed beginning from the date the original suspension was imposed, exclusive of any period during which full driving privileges may have been restored pending resolution of charges. (Example: privileges were initially suspended on January 1, 2000 for a charge of intoxicated driving with a BAC of 0.14 percent. A hearing was held, extreme family hardship was substantiated, and privileges were restored on February 1 pending resolution of the charge. On March 1, 2000, the driver was convicted for intoxicated driving. The mandatory 1-year revocation period will consist of January 2000 plus March 2000 through January 2001, for a total of 12 months with no installation driving privileges).

(c) Army provost marshals will use the automated VRS to develop and maintain records showing that individual’s driving privileges have been revoked.

§ 634.10 Remedial driver training programs.

(a) Navy activities will comply with OPNAVINST 5100.12 Series, and Marine Corps activities with current edition of MCO 5100.19C for establishment of remedial training programs.

(b) Installation commanders may establish a remedial driver-training program to instruct and educate personnel requiring additional training. Personnel may be referred to a remedial program on the basis of their individual driving history or incidents requiring additional training. The curriculum should provide instruction to improve driving performance and compliance with traffic laws.

(c) Installation commanders may schedule periodic courses, or if not practical, arrange for participation in courses conducted by local civil authorities.

(d) Civilian personnel employed on the installation, contractor employees, and family members of military personnel may attend remedial courses on the installation, or similar courses off the installation which incur no expense to the government.

§ 634.11 Administrative due process for suspensions and revocations.

(a) Individual Services will promulgate separate regulations establishing administrative due process procedures for suspension or revocation of driving privileges. The procedures in paragraphs (b) and (c) of this section apply to actions taken by Army commanders with respect to Army military personnel and family members and to civilian personnel operating motor vehicles on Army installations. For Marine Corps users, the provisions of this section apply. For Air Force users, a preliminary suspension for intoxicated driving remains in effect until the installation commander makes a final decision. Requested hearings must take place within a reasonable period, which is determined by the installation commander.

(b) For offenses other than intoxicated driving, suspension or revocation of the installation driving privilege will not become effective until the installation commander or designee notifies the affected person and offers that person an administrative hearing. Suspension or revocation will take place 14 calendar days after written notice is received unless the affected person makes an application for a hearing within this period. Such application will stay the pending suspension or revocation for a period of 14 calendar days.

(1) If, due to action by the government, a hearing is not held within 14 calendar days, the suspension will not take place until such time as the person is granted a hearing and is notified of the action of the installation commander or designee. However, if the affected person requests that the hearing be continued to a date beyond the 14-day period, the suspension or revocation will become effective immediately on receipt of notice that the request for continuance has been granted, and
Department of the Army, DoD § 634.11

remain in force pending a hearing at a scheduled hearing date.

(2) If it is determined as a result of a hearing to suspend or revoke the affected person’s driving privilege, the suspension or revocation will become effective when the person receives the written notification of such action. In the event that written notification cannot be verified, either through a return receipt for mail or delivery through command channels, the hearing authority will determine the effective date on a case-by-case basis.

(3) If the revocation or suspension is imposed after such hearing, the person whose driving privilege has been suspended or revoked will have the right to appeal or request reconsideration. Such requests must be forwarded through command channels to the installation commander within 14 calendar days from the date the individual is notified of the suspension or revocation resulting from the administrative hearing. The suspension or revocation will remain in effect pending a final ruling on the request. Requests for restricted privileges will be considered per § 634.15.

(4) If driving privileges are temporarily restored (i.e., for family hardship) pending resolution of charges, the period of revocation (after final authority determination) will still total the mandatory 12 months. The final date of the revocation will be adjusted to account for the period when the violator’s privileges were temporarily restored, as this period does not count towards the revocation time.

(c) For drunk driving or driving under the influence offenses, reliable evidence readily available will be presented promptly to an individual designated by the installation commander for review and authorization for immediate suspension of installation driving privileges.

(1) The reviewer should be any officer to include GS–11 and above, designated in writing by the installation or garrison commander whose primary duties are not in the field of law enforcement.

(2) Reliable evidence includes witness statements, military or civilian police report of apprehension, chemical test results if completed, refusal to consent to complete chemical testing, videotapes, statements by the apprehended individual, field sobriety or preliminary breath tests results, and other pertinent evidence. Immediate suspension should not be based solely on published lists of arrested persons, statements by parties not witnessing the apprehension, or telephone conversations or other information not supported by documented and reliable evidence.

(3) Reviews normally will be accomplished within the first normal duty day following final assembly of evidence.

(4) Installation commanders may authorize the installation law enforcement officer to conduct reviews and authorize suspensions in cases where the designated reviewer is not reasonably available and, in the judgment of the installation law enforcement officer, such immediate action is warranted. Air Force Security Forces personnel act in an advisory capacity to installation commanders. Review by the designated officer will follow as soon as practical in such cases. When a suspension notice is based on the law enforcement officer’s review, there is no requirement for confirmation notice following subsequent review by the designated officer.

(5) For active duty military personnel, final written notice of suspension for intoxicated driving will be provided to the individual’s chain of command for immediate presentation to the individual. Air Force Security Forces provide a copy of the temporary suspension to the individual at the time of the incident or may provide a copy of the final determination at the time of the incident, as pre-determined by the final action authority.

(6) For civilian personnel, written notice of suspension for intoxicated driving will normally be provided without delay via certified mail. Air Force Security Forces personnel provide a copy of the temporary suspension to the individual or may provide a copy of the final determination at the time of the incident, as pre-determined by the final action authority. If the person is employed on the installation, such notice will be forwarded through the military or civilian supervisor. When the notice of suspension is forwarded through the
supervisor, the person whose privileges are suspended will be required to provide written acknowledgment of receipt of the suspension notice.

(7) Notices of suspension for intoxicated driving will include the following:

(i) The fact that the suspension can be made a revocation under §634.9(b).

(ii) The right to request, in writing, a hearing before the installation commander or designee to determine if post driving privileges will be restored pending resolution of the charge; and that such request must be made within 14 calendar days of the final notice of suspension.

(iii) The right of military personnel to be represented by counsel at his or her own expense and to present evidence and witnesses at his or her own expense. Installation commanders will determine the availability of any local active duty representatives requested.

(iv) The right of Department of Defense civilian employees to have a personal representative present at the administrative hearing in accordance with applicable laws and regulations.

(v) Written acknowledgment of receipt to be signed by the individual whose privileges are to be suspended or revoked.

(8) If a hearing is requested, it must take place within 14 calendar days of receipt of the request. The suspension for intoxicated driving will remain in effect until a decision has been made by the installation commander or designee, but will not exceed 14 calendar days after the hearing while awaiting the decision. If no decision has been made by that time, full driving privileges will be restored until such time as the accused is notified of a decision to continue the suspension.

(9) Hearing on suspension actions under §634.9(a) for drunk or impaired driving pending resolution of charges will cover only the following pertinent issues of whether—

(i) The law enforcement official had reasonable grounds to believe the person was driving or in actual physical control of a motor vehicle under the influence of alcohol or other drugs.

(ii) The person was lawfully cited or apprehended for a driving under the influence offense.

(iii) The person was lawfully requested to submit his or her blood, breath, or urine in order to determine the content of alcohol or other drugs, and was informed of the implied consent policy (consequences of refusal to take or complete the test).

(iv) The person refused to submit to the test for alcohol or other drug content of blood, breath, or urine; failed to complete the test; submitted to the test and the result was .08 or higher blood alcohol content, or between .05 and .08 in violation of the law of the jurisdiction in which the vehicle is being operated if the jurisdiction imposes a suspension solely on the basis of the BAC level; or showed results indicating the presence of other drugs for an on-post apprehension or in violation of State laws for an off-post apprehension.

(v) The testing methods were valid and reliable and the results accurately evaluated.

(10) For revocation actions under §634.9(b) (3) for intoxicated driving, the revocation is mandatory on conviction or other findings that confirm the charge. (Pleas of nolo contendere are considered equivalent to guilty pleas).

(i) Revocations are effective as of the date of conviction or other findings that confirm the charges. Test refusal revocations will be in addition to any other revocation incurred during a hearing. Hearing authority will determine if revocations for multiple offenses will run consecutively or concurrently taking into consideration if offenses occurred on same occasion or different times, dates. The exception is that test refusal will be one year automatic revocation in addition to any other suspension.

(ii) The notice that revocation is automatic may be placed in the suspension letter. If it does not appear in the suspension letter, a separate letter must be sent and revocation is not effective until receipt of the written notice.

(iii) Revocations cancel any full or restricted driving privileges that may have been restored during suspension and the resolution of the charges. Requests for restoration of full driving privileges are not authorized.
(11) The Army Vehicle Registration System will be utilized to maintain infractions by individuals on Army installations.

§ 634.12 Army administrative actions against intoxicated drivers.

Army commanders will take appropriate action against intoxicated drivers. These actions may include the following:

(a) A written reprimand, administrative in nature, will be issued to active duty Soldiers in the cases described in this paragraph (a). Any general officer, and any officer frocked to the grade of brigadier general, may issue this reprimand. Filing of the reprimand will be in accordance with the provisions of AR 600–37.

(1) Conviction by courts-martial or civilian court or imposition of nonjudicial punishment for an offense of drunk or impaired driving either on or off the installation.

(2) Refusal to take or failure to complete a lawfully requested test to measure alcohol or drug content of the blood, breath, or urine, either on or off the installation, when there is reasonable belief of driving under the influence of alcohol or drugs.

(3) Driving or being in physical control of a motor vehicle on post when the blood alcohol content is 0.08 percent or higher, irrespective of other charges, or off post when the blood alcohol content is in violation of the law of the State involved.

(4) Driving, or being in physical control of a motor vehicle, either on or off the installation, when lawfully conducted chemical tests reflect the presence of illegal drugs.

(b) Review by the commander of the service records of active duty soldiers apprehended for offenses described in paragraph (a) of this section to determine if the following action(s) should be taken—

(1) Administrative reduction per AR 600–9–19, or
(2) Bar to reenlistment per AR 601–280, or
(3) Administrative separation per AR 635–200.

§ 634.13 Alcohol and drug abuse programs.

(a) Commanders will refer military personnel suspected of drug or alcohol abuse for evaluation in the following circumstances:

(1) Behavior indicative of alcohol or drug abuse.

(2) Continued inability to drive a motor vehicle safely because of alcohol or drug abuse.

(b) The commander will ensure military personnel are referred to the installation alcohol and drug abuse program or other comparable facilities when they are convicted of, or receive an official administrative action for, any offense involving driving under the influence. A first offender may be referred to treatment if evidence of substance abuse exists in addition to the offense of intoxicated driving. The provisions of this paragraph do not limit the commander’s prerogatives concerning other actions that may be taken against an offender under separate Service/Agency policies (Army, see AR 600–85. Marine Corps, see MCO P1700.24B).

(c) Active duty Army personnel apprehended for drunk driving, on or off the installation, will be referred to the local Army Substance Abuse Program (ASAP) for evaluation within 14 calendar days to determine if the person is dependent on alcohol or other drugs which will result in enrollment in treatment in accordance with AR 600–85. A copy of all reports on military personnel and DOD civilian employees apprehended for intoxicated driving will be forwarded to the installation alcohol and drug abuse facility.

(d) Active duty Navy personnel apprehended for drunk driving on or off the installation will be screened by the respective SARP facility within 14 calendar days to determine if the individual is dependent on alcohol or other drugs. Active duty Marines apprehended for intoxicated driving, on or off the installation, will be referred to interview by a Level II substance abuse counselor within 14 calendar days for evaluation and determination of the appropriate level of treatment required. Subsequent to this evaluation,
