those delegations. If possible, these listings shall be unclassified.

§ 2400.19 Declassification by the Director of the Information Security Oversight Office.

If the Director of the Information Security Oversight Office (ISOO) determines that information is classified in violation of Executive Order 12356, the Director, ISOO may require the information to be declassified by the agency that originated the classification. Any such decision by the Director ISOO may be appealed by the Director, OSTP to the National Security Council. The information shall remain classified, pending a prompt decision on the appeal.

§ 2400.20 Systematic review for declassification.

(a) Permanent records. Systematic review is applicable only to those classified records, and presidential papers or records that the Archivist of the United States, acting under the Federal Records Act, has determined to be of sufficient historical or other value to warrant permanent retention.

(b) Non-permanent records. Nonpermanent classified records shall be disposed of in accordance with schedules approved by the Administrator of General Services under the Records Disposal Act. These schedules shall provide for the continued retention of records subject to an ongoing mandatory review for declassification request.

(c) Office of Science and Technology Policy Responsibility. The Director, OSTP, shall:

(1) Issue guidelines for systematic declassification review and, if applicable, for downgrading. These guidelines shall be developed in consultation with the Archivist and the Director of the Information Security Oversight Office and be designated to assist the Archivist in the conduct of systematic reviews;

(2) Designate experienced personnel to provide timely assistance to the Archivist in the systematic review process;

(3) Review and update guidelines for systematic declassification review and downgrading at least every five years unless earlier review is requested by the Archivist.

(d) Foreign Government Information. Systematic declassification review of foreign government information shall be in accordance with guidelines issued by the Director of the Information Security Oversight Office.

(e) Special procedures. The Office of Science and Technology Policy shall be bound by the special procedures for systematic review of classified cryptologic records and classified records pertaining to intelligence activities (including special activities) or intelligence sources or methods issued by the Secretary of Defense and the Director of Central Intelligence, respectively.

§ 2400.21 Mandatory review for declassification.

(a) Except as provided in paragraph (d) of this section, all information classified under Executive Order 12356 or predecessor orders shall be subject to a review for declassification by the Office of Science and Technology Policy, if:

(1) The request is made by a United States citizen or permanent resident alien, a federal agency, or a State or local government; and

(2) The request is made in writing and describes the document or material containing the information with sufficient specificity to enable the Office of Science and Technology Policy to locate it with a reasonable amount of effort.

(b) Requests should be addressed to: Executive Director, Office of Science and Technology Policy, Executive Office of the President, Washington, DC 20506.

(c) If the request does not reasonably describe the information sought to allow identification of documents containing such information, the requester shall be notified that unless additional information is provided or the request is made more specific, no further action will be taken.

(d) Information originated by a President, the White House Staff, by committees, commissions, or boards appointed by the President, or others specifically providing advice and counsel to a President or acting on behalf of a
