§ 150.825 Reporting a diving-related casualty.

Deaths and injuries related to diving within the safety zone of a deepwater port must be reported according to 46 CFR 197.484 and 197.486, rather than to §§ 150.815 and 150.820 of this part.

§ 150.830 Reporting a pollution incident.

Oil pollution incidents involving a deepwater port are reported according to §§ 135.305 and 135.307 of this chapter.

§ 150.835 Reporting sabotage or subversive activity.

The owner, operator, or person in charge of a deepwater port must immediately report to the Sector Commander, or the MSU Commander, with COTP and OCMI authority, by the fastest possible means, any evidence of sabotage or subversive activity against any vessel at the deepwater port or against the deepwater port itself.

§ 150.840 What records must be kept?

(a) The licensee must keep copies at the deepwater port of the reports, records, test results, and operating data required by this part. In the case of unmanned deepwater ports, these copies must be kept at the operator’s principal office rather than on the deepwater port.

(b) The copies must be readily available to Coast Guard inspectors.

(c) Except for personnel records under § 150.845 of this part, the copies must be kept for 3 years.

§ 150.845 Personnel records.

The licensee must keep documentation on the designation and qualification of the supervisory positions, outlined in the port operations manual, that are responsible for the management of the deepwater port. These records must be kept for the life of the deepwater port.

§ 150.850 How long must a declaration of inspection form be kept?

The licensee must keep signed copies of the declaration of inspection forms required by § 150.430 of this part for one month from the date of signature.
