§ 165.840 Regulated Navigation Area, Gulf of Mexico; Mississippi Canyon Block 20, South of New Orleans, LA.

(a) Location. The following area is a Regulated Navigation Area: A 300-foot diameter area at the water surface centered on the following coordinates: 28°56′12.619″N, 098°38′10.303″W, and extending the entire water column from the surface to the seabed.

(b) Definitions. As used in this section the term “large cruise ship” is defined as a vessel over 100 feet in length, carrying more than 500 passengers for hire, making a voyage lasting more than 24 hours, any part of which is on the high seas, and for which passengers are embarked or disembarked in the United States or its territories.

(c) Regulations. (1) In accordance with the general regulations in 33 CFR Part 165, Subpart C, no person or vessel may enter or remain in the Safety Zone except for vessels authorized by the Captain of the Port or Designated Representatives, except as provided for in paragraph (c)(3) of this section.

(2) For this section the Pilot directing the movement of the large cruise ship under the authority of the master has the authority to allow other vessels to enter the safety zone when necessary.

(3) All vessels are prohibited from entering this safety zone unless authorized as follows:

(i) Vessels that have made suitable passing or overtaking arrangements with the pilot onboard the large cruise ship may enter into this safety zone in accordance with those agreed upon arrangements.

(ii) Moored vessels or vessels anchored in a designated anchorage area may remain in their current moored or anchored position while the large cruise ship transits the area.

(iii) Barge Fleets or vessels working a fleet may continue their current operations while the large cruise ship transits the area.

(4) Vessels requiring a deviation from this rule must request permission from the Captain of the Port New Orleans. The Captain of the Port New Orleans may be contacted at (504) 365–2210.
