other examples of student work, to identify and develop solutions to problems in—

(i) Instruction;

(ii) Implementing the requirements for parental involvement and professional development under this subpart; and

(iii) Implementing the school plan, including LEA- and school-level responsibilities under the plan.

(2) Assistance in identifying and implementing professional development and instructional strategies and methods that have proved effective, through scientifically based research, in addressing the specific instructional issues that caused the LEA to identify the school for improvement.

(3) Assistance in analyzing and revising the school’s budget so that the school allocates its resources more effectively to the activities most likely to—

(i) Increase student academic achievement; and

(ii) Remove the school from school improvement status.

(d) Technical assistance provided under this section must be based on scientifically based research.

§ 200.41 School improvement plan.

(a)(1) Not later than three months after an LEA has identified a school for improvement under §200.32, the school must develop or revise a school improvement plan for approval by the LEA.

(2) The school must consult with parents, school staff, the LEA, and outside experts in developing or revising its school improvement plan.

(b) The school improvement plan must cover a 2-year period.

(c) The school improvement plan must—

(1) Specify the responsibilities of the school, the LEA, and the SEA serving the school under the plan, including the technical assistance to be provided by the LEA under §200.46;

(2)(i) Incorporate strategies, grounded in scientifically based research, that will strengthen instruction in the core academic subjects at the school and address the specific academic issues that caused the LEA to identify the school for improvement; and

(ii) May include a strategy for implementing a comprehensive school reform model described in section 1606 of the ESEA;

(3) With regard to the school’s core academic subjects, adopt policies and practices most likely to ensure that all groups of students described in §200.13(b)(7) and enrolled in the school will meet the State’s proficient level of achievement, as measured by the State’s assessment system, not later than the 2013–2014 school year;

(4) Establish measurable goals that—

(i) Address the specific reasons for the school’s failure to make adequate progress; and

(ii) Promote, for each group of students described in §200.13(b)(7) and enrolled in the school, continuous and substantial progress that ensures that all these groups meet the State’s annual measurable objectives described in §200.18;

(5) Provide an assurance that the school will spend not less than 10 percent of the allocation it receives under subpart A of this part for each year that the school is in school improvement status, for the purpose of providing high-quality professional development to the school’s teachers, principal, and, as appropriate, other instructional staff, consistent with section 9101(34) of the ESEA, that—

(i) Directly addresses the academic achievement problem that caused the school to be identified for improvement;

(ii) Is provided in a manner that affords increased opportunity for participating in that professional development; and

(iii) Incorporates teacher mentoring activities or programs;

(6) Specify how the funds described in paragraph (c)(5) of this section will be used to remove the school from school improvement status;

(7) Describe how the school will provide written notice about the identification to parents of each student enrolled in the school;

(8) Include strategies to promote effective parental involvement at the school; and
(9) As appropriate, incorporate activities before school, after school, during the summer, and during any extension of the school year.

(d)(1) Within 45 days of receiving a school improvement plan, the LEA must—

(i) Establish a peer-review process to assist with review of the plan;
(ii) Promptly review the plan;
(iii) Work with the school to make any necessary revisions; and
(iv) Approve the plan if it meets the requirements of this section.

(2) The LEA may condition approval of the school improvement plan on—

(i) Inclusion of one or more of the corrective actions specified in §200.42; or
(ii) Feedback on the plan from parents and community leaders.

(e) A school must implement its school improvement plan immediately on approval of the plan by the LEA.

§ 200.42 Corrective action.

(a) Definition. “Corrective action” means action by an LEA that—

(1) Substantially and directly responds to—

(i) The consistent academic failure of a school that led the LEA to identify the school for corrective action; and
(ii) Any underlying staffing, curriculum, or other problems in the school;

(2) Is designed to increase substantially the likelihood that each group of students described in §200.13(b)(7) and enrolled in the school will meet or exceed the State’s proficient levels of achievement as measured by the State assessment system; and

(3) Is consistent with State law.

(b) Requirements. If an LEA identifies a school for corrective action, in accordance with §200.33, the LEA must do the following:

(1) Continue to provide all students enrolled in the school with the option to transfer to another public school in accordance with §200.44.

(2) Continue to ensure that the school receives technical assistance consistent with the requirements of §200.40.

(3) Make available supplemental educational services in accordance with §200.45.

(4) Take at least one of the following corrective actions:

(i) Replace the school staff who are relevant to the school’s failure to make AYP.

(ii) Institute and fully implement a new curriculum, including the provision of appropriate professional development for all relevant staff, that—
(A) Is grounded in scientifically based research; and
(B) Offers substantial promise of improving educational achievement for low-achieving students and of enabling the school to make AYP.

(iii) Significantly decrease management authority at the school level.

(iv) Appoint one or more outside experts to advise the school on—
(A) Revising the school improvement plan developed under §200.41 to address the specific issues underlying the school’s continued failure to make AYP and resulting in identification for corrective action; and
(B) Implementing the revised improvement plan.

(v) Extend for that school the length of the school year or school day.

(5) Continue to comply with §200.39(c).

§ 200.43 Restructuring.

(a) Definition. “Restructuring” means a major reorganization of a school’s governance arrangement by an LEA that—

(1) Makes fundamental reforms to improve student academic achievement in the school;

(2) Has substantial promise of enabling the school to make AYP as defined under §§200.13 through 200.20;

(3) Is consistent with State law;
