§ 300.114 LRE requirements.

(a) General. (1) Except as provided in §300.324(d)(2) (regarding children with disabilities in adult prisons), the State must have in effect policies and procedures to ensure that public agencies in the State meet the LRE requirements of this section and §§300.115 through 300.120.

(2) Each public agency must ensure that—

(i) To the maximum extent appropriate, children with disabilities, including children in public or private institutions or other care facilities, are educated with children who are non-disabled; and

(ii) Special classes, separate schooling, or other removal of children with disabilities from the regular educational environment occurs only if the nature or severity of the disability is such that education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily.

(b) Additional requirement—State funding mechanism—(1) General. (i) A State funding mechanism must not result in placements that violate the requirements of paragraph (a) of this section; and

(ii) A State must not use a funding mechanism by which the State distributes funds on the basis of the type of setting in which a child is served that will result in the failure to provide a child with a disability FAPE according to the unique needs of the child, as described in the child’s IEP.

(2) Assurance. If the State does not have policies and procedures to ensure

and to the age range that has been adopted by the State.

(4) If a State does not adopt the term developmental delay, an LEA may not independently use that term as a basis for establishing a child’s eligibility under this part.

(c) Other children in child find. Child find also must include—

(1) Children who are suspected of being a child with a disability under §300.8 and in need of special education, even though they are advancing from grade to grade; and

(2) Highly mobile children, including migrant children.

(d) Construction. Nothing in the Act requires that children be classified by their disability so long as each child who has a disability that is listed in §300.8 and who, by reason of that disability, needs special education and related services is regarded as a child with a disability under Part B of the Act.

§ 300.113 Routine checking of hearing aids and external components of surgically implanted medical devices.

(a) Hearing aids. Each public agency must ensure that hearing aids worn in school by children with hearing impairments, including deafness, are functioning properly.

(b) External components of surgically implanted medical devices. (1) Subject to paragraph (b)(2) of this section, each public agency must ensure that the external components of surgically implanted medical devices are functioning properly.

(2) For a child with a surgically implanted medical device who is receiving special education and related services under this part, a public agency is not responsible for the post-surgical maintenance, programming, or replacement of the medical device that has been surgically implanted (or of an external component of the surgically implanted medical device).
