and maintenance of effort), and §300.175 (related to direct services by the SEA) may reduce the level of expenditures from State sources for the education of children with disabilities by not more than 50 percent of the amount of such excess.

(b) Prohibition. Notwithstanding paragraph (a) of this section, if the Secretary determines that an SEA is unable to establish, maintain, or oversee programs of FAPE that meet the requirements of this part, or that the State needs assistance, intervention, or substantial intervention under §300.603, the Secretary prohibits the SEA from exercising the authority in paragraph (a) of this section.

(c) Education activities. If an SEA exercises the authority under paragraph (a) of this section, the agency must use funds from State sources, in an amount equal to the amount of the reduction under paragraph (a) of this section, to support activities authorized under the ESEA, or to support need-based student or teacher higher education programs.

(d) Report. For each fiscal year for which an SEA exercises the authority under paragraph (a) of this section, the SEA must report to the Secretary—

(1) The amount of expenditures reduced pursuant to that paragraph; and

(2) The activities that were funded pursuant to paragraph (c) of this section.

(e) Limitation. (1) Notwithstanding paragraph (a) of this section, an SEA may not reduce the level of expenditures described in paragraph (a) of this section if any LEA in the State would, as a result of such reduction, receive less than 100 percent of the amount necessary to ensure that all children with disabilities served by the LEA receive FAPE from the combination of Federal funds received under Part B of the Act and State funds received from the SEA.

(2) If an SEA exercises the authority under paragraph (a) of this section, LEAs in the State may not reduce local effort under §300.205 by more than the reduction in the State funds they receive.

initial evaluation of the child by utilizing the procedural safeguards in subpart E of this part (including the mediation procedures under §300.506 or the due process procedures under §§300.507 through 300.516), if appropriate, except to the extent inconsistent with State law relating to such parental consent.

(ii) The public agency does not violate its obligation under §300.111 and §§300.301 through 300.311 if it declines to pursue the evaluation.

(b) Parental consent for services. (1) A public agency that is responsible for making FAPE available to a child with a disability must obtain informed consent from the parent of the child before the initial provision of special education and related services to the child.

(2) The public agency must make reasonable efforts to obtain informed consent from the parent for the initial provision of special education and related services to the child.

(3) If the parent of a child fails to respond to a request for, or refuses to consent to, the initial provision of special education and related services, the public agency—

(i) May not use the procedures in subpart E of this part (including the mediation procedures under §300.506 or the due process procedures under §§300.507 through 300.516) in order to obtain agreement or a ruling that the services may be provided to the child;

(ii) Will not be considered to be in violation of the requirement to make FAPE available to the child because of the failure to provide the child with further special education and related services; and

(iv) Is not required to convene an IEP Team meeting or develop an IEP under §§300.320 and 300.324 for the child for further provision of special education and related services.

(c) Parental consent for reevaluations. (1) Subject to paragraph (c)(2) of this section, each public agency—

(i) Must obtain informed parental consent, in accordance with §300.300(a)(1), prior to conducting any reevaluation of a child with a disability.

(ii) If the parent refuses to consent to the reevaluation, the public agency may, but is not required to, pursue the reevaluation by using the consent override procedures described in paragraph (a)(3) of this section.

(iii) The public agency does not violate its obligation under §300.111 and §§300.301 through 300.311 if it declines to pursue the evaluation or reevaluation.

(2) The informed parental consent described in paragraph (c)(1) of this section need not be obtained if the public agency can demonstrate that—

(i) It made reasonable efforts to obtain such consent; and

(ii) The child’s parent has failed to respond.

(d) Other consent requirements.

(1) Parental consent is not required before—

(i) Reviewing existing data as part of an evaluation or a reevaluation; or

(ii) Administering a test or other evaluation that is administered to all children unless, before administration of that test or evaluation, consent is required of parents of all children.

(2) In addition to the parental consent requirements described in paragraphs (a), (b), and (c) of this section, a State may require parental consent for other services and activities under this
part if it ensures that each public agency in the State establishes and implements effective procedures to ensure that a parent’s refusal to consent does not result in a failure to provide the child with FAPE.

(3) A public agency may not use a parent’s refusal to consent to one service or activity under paragraphs (a), (b), (c), or (d)(2) of this section to deny the parent or child any other service, benefit, or activity of the public agency, except as required by this part.

(4)(i) If a parent of a child who is home schooled or placed in a private school by the parents at their own expense does not provide consent for the initial evaluation or the reevaluation, or the parent fails to respond to a request to provide consent, the public agency may not use the consent override procedures (described in paragraphs (a)(3) and (c)(1) of this section); and

(ii) The public agency is not required to consider the child as eligible for services under §§ 300.132 through 300.144.

(5) To meet the reasonable efforts requirement in paragraphs (a)(1)(iii), (a)(2)(i), (b)(2), and (c)(2)(i) of this section, the public agency must document its attempts to obtain parental consent using the procedures in §300.322(d).

(e) The exception in paragraph (d)(2) of this section applies only if the subsequent public agency is making sufficient progress to ensure a prompt completion of the evaluation, and the parent and subsequent public agency agree to a specific time when the evaluation will be completed.
