§ 303.236 Judicial review.

If a State is dissatisfied with the Secretary’s final decision with respect to the eligibility of the State under part C of the Act, the State may, not later than 60 days after notice of that decision, file with the United States Court of Appeals for the circuit in which that State is located a petition for review of that decision. A copy of the petition must be transmitted by the clerk of the court to the Secretary. The Secretary then files in the court the record of the proceedings upon which the Secretary’s action was based, as provided in 28 U.S.C. 2112.

Subpart D—Child Find, Evaluations and Assessments, and Individualized Family Service Plans

§ 303.300 General.

The statewide comprehensive, coordinated, multidisciplinary interagency system to provide early intervention services for infants and toddlers with disabilities and their families referenced in §303.100 must include the following components:

(a) Pre-referral policies and procedures that include—

(1) A public awareness program as described in §303.301; and

(2) A comprehensive child find system as described in §303.302.

(b) Referral policies and procedures as described in §303.303.

(c) Post-referral policies and procedures that ensure compliance with the timeline requirements in §303.310 and include—

(1) Screening, if applicable, as described in §303.320;

(2) Evaluations and assessments as described in §§303.321 and 303.322; and

(3) Development, review, and implementation of IFSPs as described in §§303.340 through 303.346.

(PRE-REFERRAL PROCEDURES—PUBLIC AWARENESS PROGRAM AND CHILD FIND SYSTEM

§ 303.301 Public awareness program—information for parents.

(a) Preparation and dissemination. In accordance with §303.116, each system must include a public awareness program that requires the lead agency to—

(1)(i) Prepare information on the availability of early intervention services under this part, and other services, as described in paragraph (b) of this section; and

(2) Disseminate to all primary referral sources (especially hospitals and physicians) the information to be given to parents of infants and toddlers, especially parents with premature infants or infants with other physical risk factors associated with learning or developmental complications; and

(b) Information to be provided. The information required to be prepared and disseminated under paragraph (a) of this section must include—

(1) A description of the availability of early intervention services under this part;

(2) A description of the child find system and how to refer a child under the age of three for an evaluation or early intervention services; and

(3) A central directory, as described in §303.117.

(c) Information specific to toddlers with disabilities. Each public awareness program also must include a requirement that the lead agency provide for informing parents of toddlers with disabilities of the availability of services under section 619 of the Act not fewer than 90 days prior to the toddler’s third birthday.
