§ 303.342

(5) Reviewing medical, educational, or other records.

(c) Procedures for assessment of the child and family. (1) An assessment of each infant or toddler with a disability must be conducted by qualified personnel in order to identify the child’s unique strengths and needs and the early intervention services appropriate to meet those needs. The assessment of the child must include the following—

(i) A review of the results of the evaluation conducted under paragraph (b) of this section;

(ii) Personal observations of the child; and

(iii) The identification of the child’s needs in each of the developmental areas in § 303.21(a)(1).

(2) A family-directed assessment must be conducted by qualified personnel in order to identify the family’s resources, priorities, and concerns and the supports and services necessary to enhance the family’s capacity to meet the developmental needs of the family’s infant or toddler with a disability. The family-directed assessment must—

(i) Be voluntary on the part of each family member participating in the assessment;

(ii) Be based on information obtained through an assessment tool and also through an interview with those family members who elect to participate in the assessment; and

(iii) Include the family’s description of its resources, priorities, and concerns related to enhancing the child’s development.

§ 303.341 [Reserved]

§ 303.342 Procedures for IFSP development, review, and evaluation.

(a) Meeting to develop initial IFSP—timelines. For a child referred to the part C program and determined to be eligible under this part as an infant or toddler with a disability, a meeting to develop the initial IFSP must be conducted within the 45-day time period described in § 303.310.

(b) Periodic review. (1) A review of the IFSP for a child and the child’s family must be conducted every six months, or more frequently if conditions warrant, or if the family requests such a review. The purpose of the periodic review is to determine—

(i) The degree to which progress toward achieving the results or outcomes identified in the IFSP is being made; and

(ii) Whether modification or revision of the results, outcomes, or early intervention services identified in the IFSP is necessary.

(2) The review may be carried out by a meeting or by another means that is acceptable to the parents and other participants.

(c) Annual meeting to evaluate the IFSP. A meeting must be conducted on at least an annual basis to evaluate and revise, as appropriate, the IFSP for a child and the child’s family. The results of any current evaluations and other information available from the assessments of the child and family conducted under § 303.321 must be used...
§ 303.343 IFSP Team meeting and periodic review.

(a) Initial and annual IFSP Team meeting. (1) Each initial meeting and each annual IFSP Team meeting to evaluate the IFSP must include the following participants:

(i) The parent or parents of the child. (ii) Other family members, as requested by the parent, if feasible to do so.

(iii) An advocate or person outside of the family, if the parent requests that the person participate.

(iv) The service coordinator designated by the public agency to be responsible for implementing the IFSP.

(v) A person or persons directly involved in conducting the evaluations and assessments in § 303.321.

(vi) As appropriate, persons who will be providing early intervention services under this part to the child or family.

(2) If a person listed in paragraph (a)(1)(v) of this section is unable to attend a meeting, arrangements must be made for the person's involvement through other means, including one of the following:

(i) Participating in a telephone conference call.

(ii) Having a knowledgeable authorized representative attend the meeting.

(iii) Making pertinent records available at the meeting.

(b) Periodic review. Each periodic review under § 303.342(b) must provide for the participation of persons in paragraphs (a)(1)(i) through (a)(1)(iv) of this section. If conditions warrant, provisions must be made for the participation of other representatives identified in paragraph (a) of this section.

§ 303.344 Content of an IFSP.

(a) Information about the child’s status. The IFSP must include a statement of the infant or toddler with a disability’s present levels of physical development (including vision, hearing, and health status), cognitive development, communication development, social or emotional development, and adaptive development based on the information from that child’s evaluation and assessments conducted under § 303.321.

(b) Family information. With the concurrence of the family, the IFSP must include a statement of the family's resources, priorities, and concerns related to enhancing the development of the child as identified through the assessment of the family under § 303.321(c)(2).

(c) Results or outcomes. The IFSP must include a statement of the measurable results or measurable outcomes expected to be achieved for the child (including pre-literacy and language skills, as developmentally appropriate for the child) and family, and the criteria, procedures, and timelines used to determine—

(1) The degree to which progress toward achieving the results or outcomes identified in the IFSP is being made; and

(2) Whether modifications or revisions of the expected results or outcomes, or early intervention services identified in the IFSP are necessary.

(d) Early intervention services. (1) The IFSP must include a statement of the specific early intervention services, based on peer-reviewed research (to the
