§ 2.5

lodging or mechanical mode of conveyance when such implements are rendered temporarily inoperable or are packed, cased or stored in a manner that will prevent their ready use.

(b) Carrying or possessing a loaded weapon in a motor vehicle, vessel or other mode of transportation is prohibited, except that carrying or possessing a loaded weapon in a vessel is allowed when such vessel is not being propelled by machinery and is used as a shooting platform in accordance with Federal and State law.

(c) The use of a weapon, trap or net in a manner that endangers persons or property is prohibited.

(d) The superintendent may issue a permit to carry or possess a weapon, trap or net under the following circumstances:

1. When necessary to support research activities conducted in accordance with § 2.5.
2. To carry firearms for persons in charge of pack trains or saddle horses for emergency use.
3. For employees, agents or cooperating officials in the performance of their official duties.
4. To provide access to otherwise inaccessible lands or waters contiguous to a park area when other means of access are otherwise impracticable or impossible.

Violation of the terms and conditions of a permit issued pursuant to this paragraph is prohibited and may result in the suspension or revocation of the permit.

(e) Authorized Federal, State and local law enforcement officers may carry firearms in the performance of their official duties.

(f) The carrying or possessing of a weapon, trap or net in violation of applicable Federal and State laws is prohibited.

(g) The regulations contained in this section apply, regardless of land ownership, on all lands and waters within a park area that are under the legislative jurisdiction of the United States.

(h) Notwithstanding any other provision in this Chapter, a person may possess, carry, and transport concealed, loaded, and operable firearms within a national park area in accordance with the laws of the state in which the national park area, or that portion thereof, is located, except as otherwise prohibited by applicable Federal law.

§ 2.5 Research specimens.

(a) Taking plants, fish, wildlife, rocks or minerals except in accordance with other regulations of this chapter or pursuant to the terms and conditions of a specimen collection permit, is prohibited.

(b) A specimen collection permit may be issued only to an official representative of a reputable scientific or educational institution or a State or Federal agency for the purpose of research, baseline inventories, monitoring, impact analysis, group study, or museum display when the superintendent determines that the collection is necessary to the stated scientific or resource management goals of the institution or agency and that all applicable Federal and State permits have been acquired, and that the intended use of the specimens and their final disposal is in accordance with applicable law and Federal administrative policies. A permit shall not be issued if removal of the specimen would result in damage to other natural or cultural resources, affect adversely environmental or scenic values, or if the specimen is readily available outside of the park area.

(c) A permit to take an endangered or threatened species listed pursuant to the Endangered Species Act, or similarly identified by the States, shall not be issued unless the species cannot be obtained outside of the park area and the primary purpose of the collection is to enhance the protection or management of the species.

(d) In park areas where the enabling legislation authorizes the killing of wildlife, a permit which authorizes the killing of plants, fish or wildlife may be issued only when the superintendent approves a written research proposal and determines that the collection will benefit science or has the potential for improving the management and protection of park resources.

(e) In park areas where enabling legislation does not expressly prohibit the killing of wildlife, a permit authorizing
the killing of plants, fish or wildlife may be issued only when the superintendent approves a written research proposal and determines that the collection will not result in the derogation of the values or purposes for which the park area was established and has the potential for conserving and perpetuating the species subject to collection.

(f) In park areas where the enabling legislation prohibits the killing of wildlife, issuance of a collecting permit for wildlife or fish or plants, is prohibited.

(g) Specimen collection permits shall contain the following conditions:

(1) Specimens placed in displays or collections will bear official National Park Service museum labels and their catalog numbers will be registered in the National Park Service National Catalog.

(2) Specimens and data derived from consumed specimens will be made available to the public and reports and publications resulting from a research specimen collection permit shall be filed with the superintendent.

(h) Violation of the terms and conditions of a permit issued in accordance with this section is prohibited and may result in the suspension or revocation of the permit.

NOTE: The Secretary’s regulations on the preservation, use, and management of fish and wildlife are found in 43 CFR part 24. Regulations concerning archeological resources are found in 43 CFR part 3.

§ 2.10 Camping and food storage.

(a) The superintendent may require permits, designate sites or areas, and establish conditions for camping.

(b) The following are prohibited:

(1) Digging or leveling the ground at a campsite.

(2) Leaving camping equipment, site alterations, or refuse after departing from the campsite.

(3) Camping within 25 feet of a water hydrant or main road, or within 100 feet of a flowing stream, river or body of water, except as designated.

(4) Creating or sustaining unreasonable noise between the hours of 10:00 p.m. and 6:00 a.m., considering the nature and purpose of the actor’s conduct, impact on park users, location, and other factors which would govern the conduct of a reasonably prudent person under the circumstances.

(5) The installation of permanent camping facilities.

(6) Displaying wildlife carcasses or other remains or parts thereof, except when taken pursuant to §2.2.

(7) Connecting to a utility system, except as designated.

(8) Failing to obtain a permit, where required.

(9) Violating conditions which may be established by the superintendent.

(10) Camping outside of designated sites or areas.

(c) Violation of the terms and conditions of a permit issued in accordance with this section is prohibited and may result in the suspension or revocation of the permit.

(d) Food storage. The superintendent may designate all or a portion of a park area where food, lawfully taken fish or wildlife, garbage, and equipment used to cook or store food must be kept sealed in a vehicle, or in a camping unit that is constructed of solid, non-pliable material, or suspended at least 10 feet above the ground and 4 feet horizontally from a post, tree trunk, or other object, or shall be stored as otherwise designated. Violation of this restriction is prohibited. This restriction does not apply to food that is being transported, consumed, or prepared for consumption.

§ 2.11 Picnicking.

Picnicking is allowed, except in designated areas closed in accordance with §1.5. The superintendent may establish conditions for picnicking in areas where picnicking is allowed. Picnicking in violation of established conditions is prohibited.

§ 2.12 Audio disturbances.

(a) The following are prohibited:

(1) Operating motorized equipment or machinery such as an electric generating plant, motor vehicle, motorized toy, or an audio device, such as a radio, television set, tape deck or musical instrument, in a manner: (i) That exceeds a noise level of 60 decibels measured on the A-weighted scale at 50 feet; or, if below that level, nevertheless; (ii) makes noise which is unreasonable,
