§ 3.13 What conditions apply to the use of Marine Sanitation Devices (MSD)?

(a) Discharging sewage from any vessel, whether treated or not, in any body of fresh water is prohibited.

(b) The owner or operator of any vessel on park fresh water that is equipped with toilet facilities and/or a MSD that is capable of discharge, must lock or otherwise secure the valves or mechanism of the device. Acceptable methods of securing the device include:

1. Closing the seacock and removing the handle;
2. Padlocking the seacock in the closed position;
3. Using a non-releasable wire-tie to hold the seacock in the closed position; or
4. Locking the door to the space enclosing the toilets with a padlock or door handle key lock.

(c) The superintendent may modify the requirements of this section through a special regulation.

§ 3.14 Am I required to remove a sunken, grounded, or disabled vessel?

(a) Except as provided in paragraph (b) of this section, the owners or authorized salvager of a sunken, grounded, or disabled vessel must remove the vessel, all component parts and equipment, and all associated cargo thereof in accordance with procedures established by the superintendent. In establishing removal procedures, the superintendent is authorized to:

1. Establish a reasonable date by which vessel removal operations must be complete;
2. Determine times and means of access to and from the vessel; and
3. Specify the manner or method of removal.

(b) The towing of a person by a vessel is allowed only in designated waters, and in accordance with conditions established by the superintendent under §§1.5 and 1.7 of this chapter.

(c) Where towing is designated, the following conditions apply:

1. Towing is allowed only between the hours of sunrise and sunset.
2. In addition to the boat operator, a person at least 12 years of age must be present to observe the action of the person being towed.
3. A person being towed must wear a United States Coast Guard approved Type I, II, III, or V PFD.

(d) A person being towed may not commit any act in a manner that endangers, or is likely to endanger, any person or damage property.

(e) Operating a vessel that does not have the capacity to carry the person(s) being towed in addition to the operator and observer is prohibited.

(f) No person shall operate a power driven vessel using a tow rope 20 feet or less in length when towing a person.
